Clothing Stores.

White will continue to sell clothing cheaper than any has heretofore been offered in the Western country, having the largest establishment in the city, fronting on Liberty and Sixth sts. He is now prepared to show to his numerous patrons the greatest variety of cloths, cassimeres, vestings, and clothing of all descriptions, suitable for the approaching season, that has ever been offered in this market, to which all can have the Right of Way.—Observe the corner, No. 167, Liberty and Sixth sts.

Clothing! Clothing!! Clothing!!!
The Three Big Doors vs. The Western World!!!
150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.
oct21-d&w JOHN M'CLOSKEY.

"SELLING OFF LOW FOR CASH."—Winter Clothing of every description, such as cloaks, over coats, superfine blanket, Beaver, Pilot and heavy broad cloths, superfine cloth, dress and frock coats; a large assortment of tweed, sack and frock coats.
Cloth, cassimere, and satinett pantaloons; also, a general assortment of vests; plain and fancy velvet, cloth, cassimere and fancy woolen, and plaid cassimere, with a great variety of superfine Irish linen, trimmed shirts, under shirts, stock, cravats, comforts and all other articles in the Clothing line, which will be sold low for Cash.
Purchasers will find it much to their advantage to call soon, at 49 Liberty street. P. DELANY.
N. B. A complete assortment of goods, suitable for Customer work, always on hand, such as English, French and American cloths, and cassimeres; also a choice assortment of seasonable vestings—all of which will be made to order in the latest styles, and on the most accommodating terms. jan12-daw

Clothing! Clothing!!
THE Spring and Summer stock that is now ready to be offered at the old original
THREE BIG DOORS,
is one of the largest and choicest selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade.—Without any intention of boasting on my part, I will say at the same time, it is of such metal I am principally composed; for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the ne plus ultra kind, they have only to give me an outline of their wants, and they are suited to a word.
Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 30 per cent. in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.
JOHN M'CLOSKEY,
feb18-1y No. 151 Liberty street.

CAN'T BE BEAT!—J. M. White has just received at his large establishment, fronting on Liberty and 6th streets, a splendid assortment of TWEEDS for summer; also, a superior lot of French Satin VESTINGS, all of which he is ready to make up in the latest fashion and on the most reasonable terms as usual. Observe the corner, No. 167 Liberty and Sixth streets.
my11 J. M. WHITE, Tailor, Proprietor.

UNBLUSHING IMPUDENCE.—From a published card of M'Calmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned, some time since, the exclusive agency system," and that we have no right to claim "exclusive privileges with their teas." I never pretended to sell the teas of this spurious concern. I have been selling the teas of the New York Pekin Tea Company for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this new concern until lately but as wool dealers.
The tea business of M'Calmont & Bond is about eight months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume; but the fact attended to simply because, that they have any connection with the so called and well known Pekin Tea Company of New York, is entirely false, they having been denied even an agency in Philadelphia, for the New York Company, that Company having refused even thus far to confide in them.
I know not what kind of wool they keep, nor what kind of teas; I am only certain that they keep or obtain none of the Pekin Tea Company's of New York.
Any person reading this card will see the gross deception they wish to practice on the public, and to the injury of my business. M'Calmont & Bond are wool dealers in Philadelphia, and have sent an agent out here to pull wool over the eyes of some of our good citizens. Look out for the black sheep. [nov19] ALEX. JAYNES.

Great English Remedy!
FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.
The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.
Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.
Sold in large bottles at $1 per bottle, with full directions for the restoration of health.
Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy any of our passengers to show that they were detained forty-eight hours by us in Liverpool, whilst thousands of others were detained months until they could be sent in some old craft, at a cheap rate, which, too frequently proved their coffins.
We intend to perform our contracts honorably, cost what it may, and not act as was the case last season with other offices, who either performed not at all, or when it suited their convenience.

Western New York College of Health.
207 MAIN STREET, BUFFALO, N. Y.
DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.
THIS celebrated remedy is constantly increasing its fame by the making all over the world. It has now become the only medicine for Dropsy, and is particularly recommended for Dropsy; all stages of this complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.)
Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can relieve you, and the cures testified to will convince the most skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. To the Great West especially, and wherever these complaints prevail, this medicine is offered. No mineral agent, no deleterious compound is a part of this mixture; it cures these diseases with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most painful character, is immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for any other disease originating from impure blood.—(See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, &c., or Inflammation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female frame. Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would touch this kind of derangements. It may be relied upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints.—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.
Eruptive Diseases will find the alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here. Agents give them away; they contain 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid HOPE ON, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLAS, SYRUPS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary: TOUCH THEM NOT. Their inventors never thought of curing such diseases till this article had done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 30 oz. bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Connell's Magical Pain Extractor.
IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Comstock & Co., 21 Courtland st., New York, is the greatest wonder of the 19th century. Its effects are truly miraculous. All pains are removed from burns, scalds, &c., and all external sores, in a few minutes after its application, healing the same on the most beautiful skin, leaving no scar. It is equally beneficial in all kinds of inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Biles, Tic Doloreaux, &c. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and hundreds of the clergy who praise it to their people. Kind parent *keep it constantly on hand*, in case of accidents by fire life may be lost without it, but by its use all burns are subject to its control, unless the vitals are destroyed. Caution—remember and ask for Connell's Magical Pain Extractor, manufactured by Comstock & Co., N. Y., and take no other.
PILES, SORES, &c.—*The Genuine Hays' Liniment*, is an article more justly celebrated as a cure for the above, than any or all others. Its cures are almost immediate, and it is only necessary to let those who know the article and use it with such great success, that it is to be had true and genuine of Comstock & Co., 21 Courtland st., N. Y., sole proprietor.

"It is the best Cough Medicine I ever Saw."
READ the following proof of the superiority of Dr. Willard's Oriental Cough Mixture, from a person who has tried it:
PITTSBURGH, Dec. 15, 1847.
MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under the disadvantages of a harassing cough and most distressing cold, which had, thus far, resisted the effects of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. "*It is the best medicine I ever saw.*"

Drugs and Medicines.

DR. HOOFLAND'S CELEBRATED GERMAN MEDICINES
Are without a Rival for the Cure of the following Diseases!
IF taken according to the directions they will cure any case, no matter who or what else has failed.
VEGETABLE RHEUMATIC PILLS.
For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemoral Asthma and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.
No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always a danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.
GERMAN BITTERS.
For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action and assist digestion. They can be taken by the most delicate stomach, and in every case will entirely destroy costiveness and renovate the whole system, removing all impurities and remnants of previous diseases, and giving a healthy action to the whole frame.
The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able, a dragging sensation produced, which seriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat, causing mocus to rise in the nostrils. Jaundice frequently accompanies it, and a dropsy in the face. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a majority of such cases originate from the irritating causes above mentioned. Cathartic medicines must, in every instance, be avoided in the treatment for it.
The symptoms of Dyspepsia are very various—those affecting the stomach alone, are nausea, heart-burn, loss of appetite, sometimes an excess of appetite, sense of fullness or weight on the stomach, sinking or fluttering of the pit of the stomach, fetid eructations, or sour, arising from the stomach, &c. Dyspepsia, devoid of a functional nature, is without danger, but, if arising from a disease of the stomach, it is dangerous.
Nervous Debility generally accompanies Dyspepsia or Liver Complaint; it will also cure. A few doses will remove all the unpleasant effects, such as fluttering at the heart, aching sensation when in a lying position, dots or webs before the sight, fever and dull pain in the head, constant imaginings of evil, and great depression of spirits. Outward signs are, a quick and strong pulse, pale and distressed countenance, &c.
Any case of the above disease can be cured effectually by the use of the Bitters, as directed.
SUDORIFIC.
An infallible remedy for Coughs or Colds, or the Chest, Spitting of Blood, Influenza, Whooping Cough, Bronchitis, Hemoral Asthma, or any disease of the Lungs or Throat.
This is an invaluable family medicine. It soon relieves any Cough or Hoarseness, and prevents the Croup by being early administered. No cough or cold is too light to pass neglected; for, neglected colds sink thousands to the grave annually, and cause many to grow up with a delicate frame, who would have been strong and robust, if at first properly treated.
SPIKENARD OINTMENT.
For the effectual cure of the Piles, Tetter, and Rheum, Scald Head, Ring-worms, Inflamed Eyes or Eye-lids, Barber's Itch, Frosted Feet, Old Sores arising from fever or impure blood; and will extract the fire from burns, on application, or remove any cutaneous eruptions from the skin. Persons troubled with tender faces should use it after shaving; it will, in a few moments, remove all soreness and stop the bleeding. It can always be relied on, and is invaluable in any family.
TAR OINTMENT.
For the cure of pains or weakness in the liver, back or chest; it will entirely remove any deep seated pains.—These remedies have caused many to enjoy the inestimable blessings of invigorated health, and in a variety of desperate and abandoned cases, a perfect and radical cure.
The innumerable impositions upon the public, and the statements of remarkable cures never made, yet certified by fictitious names, or by persons wholly unacquainted with what they have endorsed, renders it difficult to do justice to the public in offering sufficient inducement to make a trial of these invaluable medicines. They are entirely vegetable, and free from all injurious ingredients, and claim your patronage solely upon their merits. Every family should have a pamphlet—they can be had of the agent, gratis.

SILENCE THAT DREADFUL COUGH!—The Lungs are in danger, the work of the destroyer has been begun, the Cough of Consumption hath in it a sound of death.
ARE YOU A MOTHER! Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.
YOUNG MAN, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is
Sherman's All-Healing Balsam.
Mrs. AYTREE, the wife of Wm. H. Aytree, Esq., was given up by Dr. Sewall, of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.
Mrs. GARRABRANTZ, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 291 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.
Rev. HENRY JONES, 108 Eighth avenue, was cured of cough and catarrhal affection of 30 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.
Mrs. LUCRETIA WELLS, 95 Christie-st., suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.
Price 25 cents and $1 per bottle.

Jaynes' Family Medicines.
DR. S. S. COOK, Piqua, Ohio, writes, March, 1846: "I have used your *Vermifuge, Carminative Balsam*, and *Expectorant*, in my practice, for the last three years, and have been exceedingly well pleased with them, and never, as yet, to my recollection, failed of realizing my fullest expectation in their curative properties. Your other medicines I cannot speak of from experience; but, judging from those I have used, I doubt not but that they claim, and are entitled to all the confidence reposed in them, by those who have used them. I was formerly very partial to ***** Vermifuge, until I became acquainted with yours, which has my decided preference to any other now in use.
Respectfully, yours, &c., S. S. COOK, M. D."

WESTERN NEW YORK COLLEGE OF HEALTH,
No. 207, MAIN STREET, BUFFALO, NEW YORK.
DR. G. C. VAUGHN'S *Vegetable Lithontriptic Advertisement for 1847*—"I Came, I Saw, I Conquered," is most emphatically the case with this article. Disease has ever yielded to its most marvellous medicinal power. Wherever it has gone, and South America, England, Canada, and the United States have provided the truth of this statement, the above quotation in a strong and pithy sentence, tells the whole story. Invalids, the principle upon which you are cured, may not be known to you, but the result of a trial is satisfactory; you are restored; and the secret of the cure remains with the proprietor.—The Medicine is a compound of 22 distinct vegetable agencies; each individual root has its own peculiar, exclusive, medicinal property, conflicting with no other compound—each root makes its own cure—and as a perfect combination, when taken into the system, it does the work which NATURE, when her laws were first established, intended it should do—PURIFIES, STRENGTHENS, AND RESTORES the broken down, debilitated constitution. DROPSY, in all its characters, will be completely eradicated from the system by its use. See pamphlets in agents' hands, for free circulation—they treat upon all diseases, and show testimony of cures. GRAVEL, and all complaints of the urinary organs, form also the cause of great suffering, and VAUGHN'S LITHONTRIPTIC has acquired no small celebrity over the country, by the cures it has made in this distressing class of afflictions. So famed, it seems, is this medicine, that it has thus attracted the notice of one of our Medical publications. In the November No. 1846, of the "Buffalo Journal and Monthly Review of Medical and Surgical Science," in an article upon calculous diseases, and "solvents," the writer, after noticing the fact that the English government once purchased a secret remedy, and also noticing the purchase in 1802, of a secret remedy, by the Legislature of New York, thus pays tribute to the fame of the Medicine:—
"Why do not our Representatives in Senate and Assembly convened, enlighten and 'dissolve' the suffering thousands of this country, by the purchase of Vaughn's Vegetable Lithontriptic, than which no solvent since the days of Alchemy has possessed one half the fame!"—Reader, here is a periodical of high standing, acknowledged throughout a large section of this country to be one of the best conducted journals of the kind in the U. States, exchanging with the scientific works of Europe to our certain knowledge, edited by Austin Flint, M. D., and contributed to by men of the highest professional ability, thus stepping aside to notice a "secret remedy." You will at once understand no *unknown and worthless nostrum*, could thus extort a comment from so high a quarter—and consequently, unless it directly conflicted with the practice of the faculty, it must have been its great "*fame*" which has caused it to receive this passing nod. KIDNEY *diseases, weakness of the back and spine, irregular, painful and suppressed Menstruation, Flour Albus*, and the entire complicated train of evils which follow a disordered system, are at once relieved by the medicine.—Send for pamphlets from Agents, and you will find evidence of the value of the Lithontriptic there put forth.—As a remedy for the irregularities of the female system, it has in the compound a "root" which has been resorted to in the north of Europe for centuries—as a sure cure for this complaint, and a restorer of health of the entire system. LIVER COMPLAINT, JAUNDICE, BILIOUS DISEASES, &c., are instantly relieved. People of the West will find it *the only* remedy in these complaints, as well as FEVER AND AGUE. There is no remedy like it, and *no calomel or quinine* forms any part of this mixture. No injury will result in its use, and its active properties are manifested in the use of a single 30 oz bottle. *For Fever and Ague, Bilious Disorders, take no other Medicine.* RHEUMATISM, GOUT, will *find relief*. The action of this medicine upon the Blood, will change the disease—which originates in the blood—and a healthy result will follow. DYSPEPSIA, INDIGESTION, &c., yield in a few days use of this Medicine. Inflammation of the LUNGS, COUGH, CONSUMPTION also, has ever found relief. *Scrofula, Erysipelas, Piles, Inflamed Eyes*—all caused by impure blood—will find this article the remedy. The system, completely acted upon by the twenty-two different properties of the mixture, is purified and restored—as a partial cure will not follow. The train of common complaints, *Palpitation of the Heart, Sick Headache, Debility, &c.*, are all the result of some derangement of the system, and the GREAT RESTORER will do its work. The promises set forth in the advertisement, are based upon the proof of what it has done in the past four years. The written testimony of 1000 Agents, in Canada, the United States, England and South America, in the possession of the proprietor—and can be seen by all interested—is a sufficient demonstration that it is the *best Medicine ever offered to the World*. Get the pamphlet, and study the principle as there laid down, of the method of cure. Put up in 30 oz. bottles, at $2; 12 oz. do at $1 each—the largest holding 6 oz. more than two small bottles. *Look out and not get imposed upon.*—Every bottle has "Vaughn's Vegetable Lithontriptic Mixture" blown upon the glass, the WRITTEN signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters, unless post-paid—orders from regularly constituted Agents excepted; post paid letters, or verbal communications soliciting advice, promptly attended to gratis.

CHINESE HAIR CREAM.—A matchless article for growth, beauty, and restoration of the Hair. This Cream, when once known, will supersede all other articles of the kind now in use. Where the hair is dead, harsh, thin, unhealthy, or turning grey, a few applications will make the hair soft and dark, and give it a beautiful, lively appearance; and will also make it maintain its liveliness and healthy color, twice as long as all the preparations that are generally used. Where the hair is thin, or has fallen off, it may be restored by using this Cream. Every lady and gentleman who is in the habit of using oils on their hair should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like the other preparations, but will beautify it, and give perfect satisfaction in every instance.
For testimony to its very superior qualities, see the following letter from the Rev. Mr. Caldwell to Messrs. Hendershott & Stretch, Nashville, general agents for the Southern States:
Letter of the Rev. R. Caldwell, Pastor of the Presbyterian Church, Pulaski.
MESSRS. HENDERSHOTT & STRETCH: GENTLEMEN—I take pleasure in adding my testimony in favor of the excellent preparation called *Dr. Parish's Chinese Hair Cream*; for, about two years ago my hair was very dry, brittle, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, it is now elastic, soft, and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before. This Cream, however, has met my expectations.
As an article for the toilet, my wife gives it preference over all others, being delicately perfumed and not disposed to rancidity. The ladies, especially, will find the Chinese Cream to be a desideratum in their preparations for the toilet. Respectfully, &c., R. CALDWELL.

LADIES are cautioned against using Common Prepared Chalk! They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides it is injurious, containing a large quantity of lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lilly White. It is perfectly innocent, being purified of all deleterious qualities, and it imparts to the skin a natural, healthy, alabaster, clear, lively white; at the same time acting as a cosmetic on the skin, making it soft and smooth.
Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analyzing Jones' Spanish Lilly White, I find it possesses the most beautiful and natural, and at the same time innocent, white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying." Price 25 cents a box. Directions—the best way to apply Lily White, is with soft leather or wool—the former is preferable.
A FINE SET OF TEETH FOR 25 CENTS.—White teeth, foul breath, healthy gums. Yellow and unhealthy teeth, after being once or twice cleaned with Jones' Amber Tooth Paste, have the appearance of the most beautiful ivory, and, at the same time it is so perfectly innocent and exquisitely fine, that its constant daily use is highly advantageous, even to those teeth that are in good condition, giving them a beautiful polish, and preventing a premature decay. Those already decayed it prevents from becoming worse—it also fastens such as is becoming loose, and by perseverance it will render the foulest teeth delicately white, and make the breath deliciously sweet. Price 25 or 37½ cents a box. All the above are sold only at 82 Chatham st., sign of the American Eagle, New York, and by the appointed Agents whose names appear in the next column.
WILL YOU MARRY, and get a rich husband, lady? "Your face is your fortune?" Is't beautiful, clear, fair? Is it white? If not, it can be made so even though it be yellow, disfigured, sunburnt, tanned and freckled. Thousands have been made thus who have washed once or twice with Jones' Italian Chemical Soap. The effect is glorious and magnificent. But be sure you get the genuine Jones' Soap, at the sign of the American Eagle, 82 Chatham street.
Ring-worm, Salt-rheum, Scurvey, Erysipelas, Barber's Itch, are often cured by Jones' Italian Chemical Soap, when every kind of remedy has failed. That it cures pimples, freckles, and clears the skin, all know. Sold at the American Eagle, 85 Chatham street. Mind, reader, this seldom or never fails.

They have in many cases *superseded the prescriptions of the most eminent physicians*, and received besides their unqualified commendation.
They have been frequently recommended by men of the most distinguished characters throughout the land, and been sanctioned in Europe by Noblemen, and Princes of royal blood.
They have been introduced into the Hospitals of Edinburgh, Paris, and Vienna, and through the disinterested exertions of our Foreign Ambassadors, they have received the favorable commendation of the Emperor of Russia, and of his Celestial Majesty of the Chinese Empire.
☞ Scarcely a Packet vessel of any repute sails from the port of New York, without an abundant supply of the SICK MAN'S NEVER FAILING FRIEND.
☞ Agencies have been established in all the principal Cities in the Union, and applications are constantly reaching us from almost numberless villages in every section of the country. Testimonials of their marvellous effects are pouring in from all quarters—and in such numbers that we have not time to read one half of them. What stronger or more conclusive evidence than these important facts can the most sceptical desire? Is it possible that the many thousands who have tried CLICKENER'S PILLS, can be deceived in their results? If any imposture or quackery existed, would it not long ago have been held up, as it should be, to the scorn and derision of a justly offended community.
☞ Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of, until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud.

"IT IS THE BEST COUGH MEDICINE I EVER USED."—This was expressed in our hearing yesterday, by an intelligent gentleman, who had used but about one half of a bottle of *Dr. Willard's Oriental Cough Mixture*, before he was entirely cured. Come and get a bottle of it, and if the most obstinate cough or cold does not disappear by its use, your money will be refunded. Compounded as it is, of the most effective, though harmless and pleasant remedies, its use for years has not, nor indeed can it, fail to give entire satisfaction.

DR. WILLARD'S *Oriental Cough Mixture*.—"LET ITS WORKS PRAISE IT."—Those who have not had an opportunity of trying this great remedy for the permanent cure of every affection of the lungs, should not fail to give it a trial. Certificates of its efficiency, from our own citizens, which we are constantly receiving, cannot fail to convince the skeptical. Read the following from a lady of high standing in Allegheny:
"ALLEGHENY CITY, Feb. 7, 1848.
"*Messrs. Hays & Brockway:* It affords me great pleasure to be able to add my testimony in favor of Dr. Willard's truly valuable cough medicine. About three months since I was attacked with a violent cold, and was much distressed with the cough, from which I could get no relief, until I was a short time since induced to call at your store and purchase some of the Oriental Cough Mixture. I am happy to state that the use of the second bottle has *entirely cured me*; and, having great confidence in it, I have, and shall continue to recommend it to my friends.

FROM the New York Gazette, Oct. 6, 1839, a daily paper deservedly at the head of the daily press in this country.
Bristol's Extract of Sarsaparilla.—It were but courtesy to call the attention of our readers to this invaluable preparation which will be found advertised in another column. Mr. Bristol is a brother, and issues a highly interesting newspaper, every now and then, one or two numbers of which we have already noticed; and the medicine itself … country, and we doubt not, justly eulogised. It has in its favor, moreover, very flattering testimonials from the most eminent practitioners in every part of the country where it has been used. There is beauty and taste enough in the bottles, and in the engraved labels in which they are enveloped, to induce a purchase, even if the world, were not one of the "sovereignest" in every one must believe it is—that is, every one who would not resist a mass of documentary evidence conclusive enough to convert a Turk to Christianity. Buy one of the bottles, gentle reader, and see whether you do not agree with us on this point.

RHEUMATISM, GOUT, AND TIC DOLOREUX!—A respectable gentleman called at our office, as he said, to inform us that he had been afflicted for 10 years with Rheumatism or Gout, and occasionally with Tic Doloreux; that he had been frequently confined to his room for months together, and often suffered the most intense and excruciating pain, but that lately he had been using *Jayne's Alterative*, from which he found the most signal and unexpected relief. He says he found the medicine very pleasant and effectual, and that he now considers himself perfectly cured.—*Philadelphia North American.*
A FACT WORTH KNOWING.—A gentleman of Scrofulous habit, from indiscretion in his younger days, became affected with Ulcerations in the Throat and Nose, and a disagreeable eruption of the Skin. Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive ulcers, and were as hollow and porous as an honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loath some disease, that he commenced the use of Jayne's Alterative, and having taken sixteen bottles, is now perfectly cured.
The Alterative operates through the circulation, and purifies the blood and eradicates disease from the system, wherever located, and the numerous cures it has performed in diseases of the skin, cancer, scrofula, gout, liver complaint, dyspepsia and other chronic diseases, is truly astonishing.—*Spirit of the Times.*

CONSUMPTION, COUGH, SPITTING OF BLOOD, BRONCHITIS, ASTHMA, &c.—TO CONSUMPTIVES. Four-fifths of you are really suffering from neglected Colds, or an obstruction and consequent inflammation of the delicate lining of those tubes through which the air we breathe is distributed to the lungs. This obstruction produces pain and soreness, hoarseness, cough, difficulty of breathing, hectic fever, and a spitting of blood, matter or phlegm, which finally exhausts the strength of the patient—and death ensues. JAYNES' EXPECTORANT *never fails* to remove this obstruction, and produces the most pleasing and happy results. It is certain in its effects, and cannot fail to relieve.

"BEST COUGH MEDICINE IN THE WORLD!"—Another evidence of the superiority of *Dr. Willard's Cough Mixture*, over all others. Read the following certificate from a respectable citizen of the Fifth Ward:
PITTSBURGH, Nov. 3, 1847.
"This certifies that for some weeks past I was troubled with a very serious Cough, which was evidently becoming seated on the lungs to such an extent as to resist the effect of every medicine which I had been using. I was finally persuaded to call at Hays & Brockway's Drug Store, and get a bottle of *Dr. Willard's Oriental Cough Mixture*, which, to my great surprise, relieved me very much: after taking only two or three doses, and before I had used one bottle, I was entirely cured. I was so much pleased with its effects, that I have brought others to buy it, and shall continue to recommend it to my friends, *as I firmly believe it to be the best Cough Medicine in the world*."

BALM OF COLUMBIA.—*Hair Tonic—To the Bald and Grey.*—If you wish a rich, luxurious head of hair, free from dandruff and scurf, do not fail to procure the genuine Balsam of Columbia. In cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years have had it restored to its original perfection by the use of this Balsam. Age, state, or condition, appears to be no obstacle, whatever. It also causes the fluid to flow with which the delicate hair tube is filled, by which means thousands, whose hair was grey as the Asiatic eagle, have had their hair restored to its natural color, by the use of this invaluable remedy. In all cases of fever it will be found one of the most pleasant washes that can be used. A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich, glossy appearance; and, as a perfume for the toilet, it is unequalled. It holds three times as much as other miscalled Hair Restoratives, and is more effectual. The genuine manufactured only by Comstock & Son, 21 Courtlandt-street, New York.
Sold only genuine in Pittsburgh, by WM. JACKSON, 89, Liberty street, head of Wood; also, in Washington, Pa., by A. Sweeney & Son; in Cannonsburgh, by Dr. Vowell, in Brownsville, by Bennett & Croker; also, in every town in Pennsylvania, Ohio, Maryland and Virginia.
