The Wouster Bank-Again. From a long and interesting article in the Ohio Statesman, we gain some facts in relation to this windling concers, which prompt us again to refer awindling concers, which prompt us again to refer the transmission we have other preserves. We re-

to the Weester Bank failure; and, incidentally, to among those who have other preferences. We re-the banking system. The editor of that paper has gret its existence most sincerely, and still more the of my making the preference of the preference been fain-shed ha. Mr. John H. Harris, one of the di-previous efforts which have b en made by members with me the cheering conviction that I shall bear

Trouble in the Whig-wam. Mr. Buchanan in Lancaster. Mr. CLAY's late egotistical self-nominating epis-We have already informed our readers that the e, has produced a great deal of dissatiafaction in istinguished Secrentary of State, Hon. JAMES BU-

the Federal ranks. As Cowper says, it has been a CHANAN has been making a visit to the city of Lan-Perhaps to thousands, and of by to some ! aster, his old home, on private husiness. Whilst there, a large number of the citizens of the place, The old steadfast Federal leaders, who have faithwithout reference to party politics, tendered him fuly adhered to their principles "through, good the compliment of a public dinner ; which, however, and through evil report," are of course delighted be was reluctantly compelled to decline, on account at Mr. Clay's determination ; but, on the other hand, of h a desire to return speedily to Washington, to a large and influential portion of the party, in all resume his official duties. The correspon

parts of the country, are grievously dissatisfied, and which took place on the occasion is as follows : have expressed a determination to defeat the nomi-LANCASTER, April 14, 1848. Hon. James Buchanan-Dear Sir : The undersign nation of the great " Embodiment" at all hazards. Hon. James Buchanan-Dear Sir: The undersign-ed, citizens of Lancaster, avail themselves of your brief presence amongst your old neighbors and friends, to invite you to partake of a public dinner in this city, at such time as may suit the demands of your public duties. We have known you long and intimately, and, although many of us differ from you on questions of public policy, it affords the most sincere pleasure to all to offer this slight mark of social kindness, and of respect for your private worth and eminn tabilities. We trust that this tes-timony will be none the less gratifying because it Now, we must confess that we are by no means interested in the quarrels of the Foderal party; but as faithful chroniclers of the news of the day, we think t is our duty to advise our readers of the movements on the Federal chess board. John M. Borrs, of Virginia, who has figured largely as a federal leader for a few years past-the

same gentleman that swore he would " head Capt. Tyler or die? — is now warmly enlisted in favor of the nomination of Mr. Clay. At the Clay Festival, in the City of Philade phia, a few days since, Mr. Botts suggested the names of Clay and Scott as the Federal candidates for Berselatt and Scott as the Tyler or die"-is now warmly enlisted in favor of Federal candidates for President and Vice Presito the nation and to the world in the discharge dent, and the account of the proceedings states that your public duties.

Very respectfully, your fellow-citizens, [Signed by about eighty persons.] the suggestion was received with acclamation. We observe that a large number of Federal papers

throughout the country, have acted upon this sug-gestion, and have unfurled the banner of Clay and Scott at their must heads. Those who know Gene-ral Scorr will certainly smile at the idea of placing his same second to that of Mr. Clay, or any person, his same, second to that of Mr. Clay, or any person, in the manner suggested. Such a thing would be soup-erlatively ridiculous! The Hero of V(ra Cruz is too ambitious a man to think of permitting himself to play a secondary part in the great political drama. He would be the leading spirit of the play or not

grimage on earth. This testimonial of your regard, I assure you, is none the less grateful to my feelings, " because it comes from individuals of all partice?" Freedom of Context for subscriptions on Court week.none the less grateful to my feelings, "because it comes from individuals of all parties." Freedom of Patricit, who is well advised of the doings of his party says: "New candidates, compromise candidates, are now seriously talked of by the Whigs at the seat of Government. Some are for running Crittenden and

It would be at war with this sacred right to suffer political differences to disturb the private relations of friendship; and I can appeal to you all that I have ever endeavored in my intercourse with my fellow citizens to act in accordance with this seatment. Abbott Lawrence, while others are for running Scott

THE CANAL BASIN .- We h CUON that I still retain warm place in the regard of my fellow citizens of al political parties in the city of Lancaster. Yours very respectfull

BYRON AMENDED .- In Childe Harolde, une of the most beautiful stanzas of BYRON, may be altered MR. EDITOR : I desire to call attention to the fact, NR. EDITOR: I desire to call attention to the fact, that a number of our Fire Companies are almost destitute of Hose; much having been destroyed at the fire on Thursday evening. And should a fire of any extent occur, great difficulty would be experienced in putting it out Everyhody knows that our firemen are equal to any in the world; but they can do little if they have not the proper apparatus. At the fire alluded to, the Allegheny Fire Company was thrown out of service, in consequence of the lutterion of her how the service. so as to refer strikingly to the response of the old nations of Europe, to the voice of Freedom in France:

CONFEDERACY OF THE PEOPLE .--- When the rev

tionists who won the Republic for France had forced their way into the Palais Royal and had reached the apartments of General Athalin, one of Louis

Weasures should be immediately taken to supply sach company with a full complement of Hose; so The appriments in tentary attains, one of the Gene-phillips aides-de camp, they engountered the Gene-ral's lady, a woman of dignified deportment and sta-ture, whom' the general had exposed for hey rare that they jury be of some service And I trust that this suggestion will not be flighted, especially as this suggestion will not be slighted, espite incondiary is now so busy amongst us. beauty, being but the daughter of a poor figherman of Granville. "My friends," she exclaimed, "I rust you have not come here to offer any injury to Bar The citizens of the 6th, 7th and 8th wards. myself or my husband. I am not one of your fine ladies but a daughter of the people: I throw myself then confidently on your protection. But I will not leave my husband; he is confined to his bed by ill-ness." The band were struck with the buldness of the appeal. These strucks with the buldness of will hold their adjourned meeting this evening, in the 6th ward Public School House. They have gone to work in the right way to obtain water. Facts are what the Councils want; and not denunciations; Hess." The band were struck with the holdness of the appeal. They repaired to the genera's chamber, placed him in arm-chair, and, headed by this daugh-ler of the people, they conveyed him to a friend's house in the neighborhood. On reaching his desti-nation the second buildent buildent in collection and we understand that such statistics will be laid Councilman to support the proposed improvement nation the reneral recollected leaving a sim of 130, 000f. Administrator to the Estate of Ann M'Bride, dec'd. aptié-diawów.⁴ D'RIFY YOUR BLOOD.-Ma. O. E. SIELET-Dear was severely afflicted with a Scroubla Complaint in my legs, and had been for some months under the carr of physicians. They soid my case was abnost incurple, and they could do but little for me. I was nearly helps-icas, but with the sid of my cyntches could with difficulty get about. In May last, purchased of you, and cour-but using Bristor's Saraparila. After the use of two bottles, the sorres commenced healing, and I had about any crutches, using only a cance. I dispensed with any cance, and at the oud of the fourth boule, was so well as to as as tall day in shearing sheep. In all, I used fire bottles. The Scroinin and Sores have all healed up, and since last have continued, and are now, in the most perfect state of health. I state with confidence, hoping that others may by you has been the mucuas, said the only means of effect-ing the area. IDT For sale wholesale and retail by B. A. FAINNESTOCK & co
