-

Democracy 4 majority, even should we lose New York? It is probable that Wisconsin will be admitted into the Union before the next Presidential election ; and i' so, we may count on 3 more Democratic electoral votes, or a majority of 7 in the Electoral College, without New York. This is the Electoral College, without New York. This is the most favorable view of the subject we can possibly the largest manufacturers of Massachusetts, and perhaps the largest dealer in wool in our country; Domestic happiness: thou only

 Take for the reactal chapter.
 Of the States which voted for Mr. Clay in 1844, New since elected Democratic Governors; and if any one of His letter is dated—
 And the editor of the paper from which we copy says, that he has no idea that the present races of duty on wool either will be or should be changed. His letter is dated—
 His first attempt to retire had scarcely been inade how not whether then. Scott would consent to such a nomination, but we know her of the paper is dated ic Presidential nominee, in 1848, of course, Mr. Clay's chances are thereby greatly decreased. We do not count with ano degree of certainty upon the favor of the 27th ult, duly came to hand, and should, favor of the 27th ult, duly came to hand, and should, think the Fe'eralists should not calculate two con-think the Fe'eralists should not calculate two con-think the Fe'eralists should not calculate two con-think it altogether likely that Tenres ee and China will also wheel into the Democratic line next foil The people are heartily sick of the misrule of Fel-eral Whiggery in those States, and have expressed a determination to hard have expressed a determination to hard have expressed a determination to hard har party from yours.

a determination to hurl that party from power. We think, therefore, that we may with perfect safety, cilculate upon the vote of the following States for the Democratic candidate, viz: Maine, I can point out articles made of wool now imported,

which will require thirty millions of pounds, of a New Hampshire, Pennsylvania, Virginia, South Carolinia, Georgia, Alabama, Missiasippi, Louisiana, Indiana, Illinois, M.ssouri, Arkansas, Michigan, Texas, lows, and Wisconsin-making altogether oventeen states, with 115 electoral votes. It is likely that Mr. Clay, (or the Federal nominee,

whoever he may be) will obtain the vote of the following states, v.z: Vermont, Massachusetts, Rhode Island, Connectidut, North Carolina, and Kentucky: six States with 51 rotes.

I shall always have great pleasure in hearing from The following States we set down as doubtful, in- you, and remain yours most trul asinuch as the Federalists are claiming them, viz : New York, New Jersey, Delaware, Maryland, Ohio,

The following resolution, adopted by the last De-mocratic Convection of the State of Indiana, is worthy of being inscribed, in letters of gold, upon every public place in the wide extent of our coun-try. It breathes the true spirit of our party; and would to heaven that we could see those manifesta Tennessee and Florida-93 electoral votes in all." The contest in the last mentioned States will be very warm ; and indeed they will be the "battle ground?" of the campaign. We have the fullest con- every public place in the wide extent of our counfidence in the fidelity and patriotism of our friends. With their old cacay in the field, struggling for would to heaven that we could see those manifestapower, they will double their efforts in order to secure a glorious and triumphant victory.
