Weekly Review of the Markets.

OFFICE OF THE POST, Friday Morning, May 5, 1848.

We have but little matter out of which to manufacture a report, that will be really interesting to our country readers. We this week omit the table for lack of room; but will refer to our last weekly for the few articles that may not be noticed in the annexed review. There has been no change in any article of importance. In the beginning of the week, the business portions of the city were very dull, owing to the lowness of the water; but a fine shower has swelled both rivers, and we again find business brightening up a little. The largest boats are now enabled to run, and they go out generally well freighted.

MONEY MATTERS.—The three banks of this city have made their semi-annual dividend of three and one half per cent., amounting to nearly one hundred thousand dollars. A large portion of this money will go into circulation at home. We still hear in the streets complaints of scarcity of money, and the want of bank facilities. We are, however, credibly informed that the line of discounts in these institutions, is higher now than it was this time last year; but the amount of business paper is much greater than was afloat at that period. The scarcity of Eastern Exchange is severely felt in the West; and there is much complaint about the onerous rates charged by banks and brokers. The rate of Exchange between commercial points, should never be higher than the cost of transporting coin. The vast quantities of produce which will go to New York by the Northern route, will restore the equilibrium of Exchange within another month. In the East, money matters appear easy. Our country is secure from the financial embarrassments of the Old World, and doubtless will profit by these terrible convulsions, which are breaking up the old order of things. Prudent men will find American securities their best and safest investment, and no longer talk sneeringly of Pennsylvania Stocks.

ASHES—The stock on hand is large, and dealers report the market dull for all kinds. The prices are still depressed, though there is some demand for shipment east. We quote sales in a small way at:—Pots and Scorchings 4@4½c.; Pearl 7c.; Saleratus 7@7½; Soda Ash 4@4½.

COAL—The regular wagon price is 5½c; at river 5c.

FLOUR—There has been some fluctuation in the market since last week, but we now find the prices at the same figures we then quoted. The receipts are not heavy; and the demand is good. We noticed yesterday on the wharf, the following among others which will show the rates:—251 bbls at $4,70; 140 at $4.60; 50 at $4.65; 60 at $4.65. Several lots at $4.62; and one lot at $4.68. From store the sales were at $4,75@4,81; $4,87 was asked, for some extra brands.

FRUIT—Green Apples—There are but few receipts, the reason being about over. We heard of a sale of Romanites yesterday at $2,12½.

Dried Peaches—Market is tolerably well supplied, and there has been a fair demand. We notice numerous sales in a small way at $1,50@$1,62, according to quality.

Dried Apples—We have noticed but few transactions; there are some lots in market, but few arriving. About 70@75c. for a fair article are current quotations, which we give in the absence of real sales.

Raisins—Plenty in market, and regular sales at $2,12@2,25. Keg Raisins are worth 5½@8c., according to quality.

Currants—Regular sales Zante at 12c.

Ground Nuts—Plenty in market, and sales at $2, 12@2,25.

Oranges—Sales at $4@6, according to quality.

Lemons—Sales of several lots on Wednesday at $1,35, for a good article.

LUMBER—There is no change in any article except Sawn Lath, which has advanced to $1,75@2,50. Sale of 234 M. Shingles at $2,50. Boards are without change. The demand for dry lumber is great—greater than this time last year, we are informed. It is the opinion of the most extensive builders that the number of houses now under contract in the two cities is greater than at this time last season. The foreign demand for Lumber is not so great.

LEATHER—We have no change to note. The sales have been brisk during the week. Sales Balt. Sole, at 20@21; New York, 17½@18½; Slaughter 18@20.

HIDES—An active business has been done, but no important variation in prices. Large lots are daily arriving, and sales are regular at former quotations. Green are down to $2,50; Missouri are now worth 7@9.

FEED—Still very scarce; sales of Bran at 16@18c. from store; of Shorts there are none in market.

LEAD—There is nothing doing to indicate a change; we notice sales of several tons Pig at $4@4½c.; Bar 4½c.

MOLASSES—The transactions of the week have been to a fair extent, and the prices stand as before; for New Orleans, 27½@28c.; Sugar House, 45c.

COTTON YARNS—The card prices now adopted by the manufacturers are:—Nos. 5 to 10, 15c.; Nos. 11 to 14, 16c.; No. 14, 17c.; in other articles there has been no change.

FEATHERS—There appears to be considerable quantities in market, with an active demand. We heard of sales yesterday at 32@33; in small lots 34c. is obtained.

WOOL—A few sacks common were yesterday bought at 22c.

HEMP—There has been no change; small sales at $115@120 per ton.

HONEY—Sales from stores of Honey in comb at 18@20c. in a retail way.

FISH—There has been a decline in Shad and Herring since last week. We now quote Herring at $5,75@6,00; Shad $9,00; No. 3 Mackerel $7,50.

CATTLE MARKET—Sales of Beeves, at Allegheny yards, on Saturday, at 5@5c., nett.

Sheep—About 100 head were offered, and sales at $2@$3 a head.

PIG METAL—There have been very few transactions for weeks past. A few sales No. 1 Allegheny at $32@33. A few sales Hanging Rock have been made at $37, time.

POTATOES—The receipts still continue heavy, and sales have been made at all prices. We have heard of sales good quality Potatoes as low as 80c. ℔ bbl., from first hands; some at $1 from store; but there are regular sales at $1 25@1 50 from store.

TIN PLATE—Regular sales at $10 50.

BACON—The receipts are still heavy, but not as great as we witnessed a few weeks ago. Sales in various lots, under various circumstances, at 2½@3, 3½@4, 4½@5 for shoulders, sides and hams.

GRAIN—There is nothing of importance doing in any article of Grain. We quote as follows: Wheat, 90@93; Rye, 48@52; Barley, 38@40; Oats, 26@30.

GLASS—There have been many small sales during the week, of 8x10, country brands, at $3 25. Other sizes in proportion.

TAR—Plenty North Carolina Tar in market, and regular sales at $4 37@4 75.

CHEESE—Market tolerably well supplied. Sales of W. R. at 6@7½c.

RAGS—Two large lots mixed taken yesterday at 3½; good white are worth 4½c.

BEANS—Sale of small white at 87½c.

ALE—Regular sales at Breweries at $7@$9.

SEEDS—Very little doing. Clover Seed is worth $3 12 from first hands; Timothy, $1 50@1 62. Flax, 90@95.

SALT—Allegheny Salt sells at Canal at $1 25.

BUTTER—The market is a little better supplied than heretofore, but prices keep up remarkably well. Prime Roll, in bbls., has not been sold for less than 14c. Some sales yesterday at 15c. In kegs, sales have been made at 9@10c., according to quality.

LARD—Regular sales. Linseed at 55@57c.; Lard is worth 58@59.

EGGS—Sales of about 4 bbls. yesterday at 7c.

CRACKERS—the following are the present prices:

Water Crackers	$3,75	℔ bbl.
Butter do	4,50	"
Pilot Bread	3,50	"
Sugar and Soda Crackers	7c	℔ lb

WHISKEY—Regular sales Rectified, at 18½@20.; of common we hear of no sales.

SUGAR—We hear of sales of fine article at 4½c.; Prime is worth 5@5½c.

MOLASSES—Regular sales at 17½@18c.

FREIGHT—We annex a table of the present rates on river. On Canal and Monongahela Navigation we believe there is no change.

COTTON—Very little doing; the demand is trifling; the supply is large, but holders are a little stiff. We heard of a sale of Tennessee at 6½c. Some holders expect to get more. The news by the last steamer, though it seemed favorable, had no effect.

PEA NUTS—There have been many little transactions lately; and sales at $1,12@1,25

Proposals for a Loan.
TREASURY DEPARTMENT, April 17, 1848.
SEALED proposals will be received, under the act of 31st March last, until 3, p. m., on Saturday, the 17th June, 1848, for sixteen millions of dollars of United States stock, reimbursable twenty years from and after the 1st day of July, 1848, bearing six per cent. interest per annum, payable semi-annually, on the first days of January and July of each year. No bid will be received below par; nor will any bid be considered unless one per cent. thereof is deposited in some depository of the United States at or before the date fixed for opening the proposals. The bids, in all cases, must be unconditional, and without any reference to the bids of others, and should state distinctly the premium offered. The proposals should be sealed, and endorsed 'Proposals for loan of 1848,' and addressed to the Secretary of the Treasury, Washington City, D. C. The sums which may be accepted will be required to be paid to the depositary of the U. States nearest the places of residence of the persons respectively whose offers may be successful; but the amount of the accepted bids from bidders not residing in the United States, must be deposited with the assistant treasurers at New York, Boston, Philadelphia, or New Orleans.
To give an opportunity to all persons to participate in the investment of funds in this stock, bids will be received for the lowest denomination of certificates authorized by law—being for fifty dollars—as well as for higher sums. All certificates under one thousand dollars will be transferable on the books of the treasury; but all certificates for that sum and upwards will be transferable on the books of the treasury, or by delivery with coupons attached, at the option of the bidder. To avoid expense, confusion, and multiplication of accounts, all certificates with coupons attached will be for the sum of one thousand dollars.
The successful bidders will be required to deposite the amount awarded in five equal instalments in each of the months of July, August, September, October, and November of the present year, except for sums not exceeding twenty thousand dollars, where the bidder may be desirous of making immediate payment, in which case the whole amount may be at once deposited. The stock will bear interest in all cases from the date of deposite.
The bids will be opened at the Treasury Department at 3, p. m., on Saturday, the 17th of June, 1848, in the presence of all persons who may desire to attend; but, under a provision introduced into the act of 31st of March last, no bidder will be permitted to withdraw his bid. On all bids not accepted, the deposit made in advance will be immediately returned. The whole premium on the amount awarded must be deposited as part of the first payment required in July next.
R. J. WALKER, Secretary of the Treasury.
Each of the daily papers of Boston, New York, Philadelphia, Baltimore, Charleston, and New Orleans, and in all other States the papers selected to print the laws of the United States, are authorized to publish this advertisement. April 21—dt17thJuneif

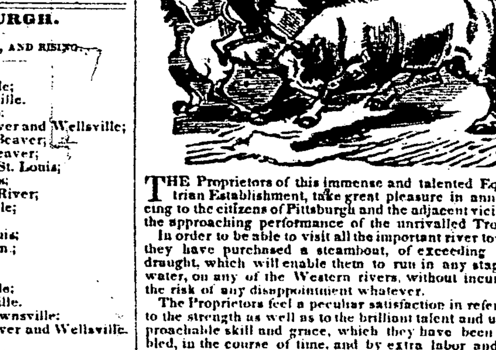
ROCKWELL & CO'S. CIRCUS!


THE Proprietors of this immense and talented Equestrian Establishment, take great pleasure in announcing to the citizens of Pittsburgh and the adjacent vicinity, the approaching performance of the unrivalled Troupe.
In order to be able to visit all the important river towns, they have purchased a steamboat, of exceeding light draught, which will enable them to run in any stage of water, on any of the Western rivers, without incurring the risk of any disappointment whatever.
The Proprietors feel a peculiar satisfaction in referring to the strength as well as to the brilliant talent and unapproachable skill and grace, which they have been enabled, in the course of time and by extra labor and expense, to concentrate in one establishment. They feel great pride in calling particular attention to the name of MR. HIRAM W. FRANKLIN,
whose representation you see in the large pictorial bill, in his wonderful act of throwing 76 somersets. A number never before equalled by any other performer in the world. Together with his terrific double somerset, thro' baloons, over banners, horses, &c. &c. Also, his daring one, two and four horse riding, with his astonishing cord volunt performances; which truly make him the wonder of the age.
Artists without number, and certainly, without regard to expense, have been employed during the past winter, in manufacturing new costumes, housings, trappings, decorations, and other paraphernalia to correspond with their magnificent pageantries, tournaments, cavalcades, and processions, which this company give on every representation, and which have created such a tremendous sensation everywhere upon their route, and always attended with so great eclat, that hundreds who never visited a Circus before, are now found among the patrons of the greatest of Circuses.
There is also attached to this Company, the Queen City Brass Band, who will entertain the audience, by "discoursing most eloquent music."
Henry Rockwell & Co., Proprietors.
S. Q. Stokes, Manager.
John Shay, Equestrian Director.
A. W. Pell, Treasurer.
A. Rockwell and W. Lake, Clowns.
Will exhibit in Pittsburgh, on Friday and Saturday, the 5th and 6th of May, for Two Days only, on the lot in front of the American Hotel, Penn street. Afternoon performances to commence at 2 o'clock. Evening performances to commence at 7½. Admittance, 25 cts.; positively no half price.
The performance will commence with the Magnificent Equestrian spectacle, entitled the Halt of the Bedouins, or, the Arab's Bivouac.
Comic Song by Rockwell and Lake.
Grand Trampoline Leaps and double leaps, over banners and horses, and through hoops and baloons, concluding by turning a double somerset, by the "Champion Trampolist" Mr. Hiram W. Franklin.
Vaulting by the Company, led by H. W. Franklin, who has performed the almost incredible feat of throwing 76 consecutive somersets.
After which, the pride and pet of the arena, Master W. Grady, will perform his beautiful act on two Ponies.
Fakir of Ava, or Chinese Juggling, by Mr. John Shay.
After which, will be enacted an astonishing act of horsemanship and Gymnastic evolutions, on two horses, entitled, the Rival Romans, or, Olympian Bounders, by Messrs. B. Runnels and H. W. Franklin. This scene is remarkable for the display of muscular power and corporeal pliancy, as well as sublimity of figures and fury of speed.
Massaniello, or the Fisherman of Naples, by Mr. B. Runnels. Those who are familiar with ancient history, and especially with the history of Naples, will be both surprised and delighted at the correct and historical manner in which Mr. Runnels portrays the character of Massaniello. His acting is perfect; and it is a pleasure to witness and watch the progress of the performer, from the obsure fisherman to the crowned King of Naples, and thence to the finale of his history.
Mr. H. W. Franklin, the greatest Slack Rope performer in the world, will perform some of those inimitable feats on the rope, which have obtained for him the appellation of the Sprite of the air.
Two horse Allemande, by Mrs. H. W. Steward and Mr. B. Runnels.
Mr. H. W. Franklin, and his pupil, the beautiful and talented Master William Grady, will next appear in their celebrated antipodean gymnastics and classical and muscular evolutions. The matchless symmetry of their Apollo like and classical forms, (which a painter or sculptor might envy,) the apparent recklessness of their different performances, and the ease, skill and grace, and celerity, with which they are executed, thrill the spectator with astonishment, while at the same time, he is filled with awe and delight.
Indian Warrior, by Mr. Shindle. Mr. Shindle far surpasses any rider of the present age, in his life-like delineations of the passions and habits of the wild man of the forest.
Pantomorphic exercises or feats of posturing, by Mr. Wm. H. Steward.
Master Wm. Grady, will next be introduced, and ride his brilliant single horse act, the precocious and juvenile equestrian has already, by his beauty, talent, grace and skill, obtained the flattering sobriquet of the young Ducrow of America.
Among the stud of highly trained horses, will be particularly noticed, the feats of the celebrated fighting Ponies.
The whole to conclude with a laughable afterpiece.
a28 WM. C. PRESTON, Agent.

TWELVE YEARS' PRACTICE
Exclusively devoted to the study and treatment of venereal disorders, and those arising from youthful excesses' gaiety, climate, or impurities of the blood, whereby the constitution may have been enfeebled, enables Dr. Brown to offer assurances of speedy relief to all who may place themselves under his care.
Dr. Brown's offices are conveniently arranged into separate apartments. Patients can visit Dr. B. without fear of exposure to other visitors.
It is of importance to many persons in need of medical aid, to obtain good advice privately and promptly. To all such, Dr. Brown's rarely skill in removing venereal diseases, in their various forms and stages, offers inducements which can rarely be equalled. Strangers are hereby apprised that Dr. Brown has been regularly educated in every branch of medicine, and for the last twelve years confined himself exclusively to the treatment of those diseases.
Dr. Brown is the only regularly educated surgeon in Pittsburgh who gives his whole attention to those complaints.

Recent cases are relieved in a short time, without interruption from business.

Letters from a distance, asking advice, must contain a fee, or they will not be attended to.
