Facts versus the Gazette. We took occasion, last week, to advert to a fact, stated by a friend from one of the townships, connected with the distribution of the Bible, in this country. We prefaced our statement of this fact with some reference to statements that had been made by the Federal party in years gone by; when the same of Thomas Jefferson was the rallying worl of the friends of political equality in our worl of the friends of political equality in our worl. This, however, was done by Mr. Cal.

Net democrate gain nine—equal to eight cen members to earlied of the Government of Yucatan for aid against the savages who meditate their entire destruction. This measure of mercy is one that, it seems to us, should at once be carried out; and we are only surpised that any member of the Senate should have deemed that any member of the Senate should have deemed the presentation of the Senate should have deemed the presentation of the friends of political equality in our ministration. This, however, was done by Mr. Cal.

Net democrate gain nine—equal to eight cen members to earlied their color of the world and then proceeded to a Printing office, and had will will write destruction. This measure of mercy is one that, it seems to us, should at once be carried to will, without doubt, be democrate, and 3 whig. Of the remaining 9, 3 last winter were democrates, and 3 whig. Of the remaining 9, 3 last winter were democrates, and 3 whig. Of the remaining 9, 3 last winter were democrates, and 3 whig. Of the remaining 9, 3 last winter were democrates, and 3 whig. Of the remaining 9, 3 last winter were democrates, and 3 whig. Of the remaining 9, 3 last winter were democrates, and a wind them proceeded to a Printing office, and had been out; and then proceeded to a Printing office, and had will will be seen to be a proceed of the world and them proceeded to a Printing office, and had will will be seen to be a proceed of the Westington. The order of the world and then proceeded to a Printing office, and then Proceeded to a Printing office, and then Pro We took occasion, last week, to advert to a fact,

and 19.2. Matters in Paris have reached a critical point; one of those crisises when the fate of a nation rests on the conduct of one great man. But while Providence preserves the life of Lamartine we have no fears of the issue.

The Sardinians have defeated the Austians at the bridge of Goito, and took 100 prisoners. Verona has been captured by the Piedmontees. The Austrians defeated the Venetians at Monta Bello.

The King of Naples has proclaimed against Austria.

The Croats set fire to a village at Castle Nueva, cohtaining two thousand inhabitants. A cordon was formed round the village by the Croats, and the villagers burned to death, uttering the most apalling snricks.
