I ADIES are cautioned against using Common Prepared Chalk: They are not award how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides it is injurious, containing a large quantity of lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lilly White. It is perfectly innocent, being purified of all deleterious qualities, and it imparts to the skin a natural, healthy, alabaster, clear, lively white; at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massuchusetts, says: "After analysing Jones' Spanish Lilly White, I find it possesses the most beautiful and natural, and at the same time innocent, white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying." Price 25 cents a box. Directions—the best way to apply Lilly White, is with soft leather or wool—the former is preferable.

A FIRE SET OF TENT FOR 25 CENTS.—White leeth, foul breath, healthy.gums. Yellow and unhealthy teeth, after being once or twice cleaned with Jones' Amber Tooth Paste, have the appearance of the most beautiful ivory, and, at the same time it is so perfectly innocent and exquisitely fine, that its constant daily use is highly advantageous, even to those teeth that are in good condition, giving them a beautiful poish, and preventing a premature decay. Those already decayed it prevents from becoming worse—it also fastens such as is becoming loose, and by perseverance it will render the foulest teeth delicately white, and make the breath deliciously sweet. Price 25 or 374 cents a box. All the above are sold only at 82 Chatham st., sign of the American Eagle, New York, and by the appointed Agents whose names appear in the next column.
