Messas, Henneshort & Strektey: Gentlemen—I take
p.easure in adding my testimony in favor of the excellent
preparation called Dr. Parish's Chines Hair Cream; for,
about two years ago my hair was very dry, bristly, and
disposed to come out, but having procured a bottle of the
Cream, and used it according to the prescription, it is now
clastic, soft, and firm to the head. Many bulsams and
oils were applied, each leaving my hair in a worse state
than before. This Cream, however, has met my expectations.

As an article for the toilet, my wife gives it preference
over all others, being delicately perfumed and not disposed to rancidity. The ladies, especially, will find the
Chinese Cream to be a desideratum in their preparations
for the toilet.
