Clothing! Clothing!! Clothing!!!

The Three Big Doors vs the Western World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old and unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are great on times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will by before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of stuff can be concerned could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade.—Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting in fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy: all stages of this complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone: no other article can relieve you; and the cures testified to will convince the most skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague, &c., are the first West especially, and wherever these complaints prevail, this compound is a perfect antidote. This mineral agent, no delecterious compound is a part of this mixture—it is purely vegetable, and is certainly and celerity, and does not leave the system in a debilitated condition, as do all others that contain mercury. Dyspepsia, a complaint of a most painful character, is immediately relieved, and a few days' use by a few days use of this article. It is far beyond any other preparation for this disease, for any other disease originating from impure blood. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is effected in a few days more. Female weakness as a certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would touch this kind of derangements. It may be feel permitted to say, could give the unusual proof, as proof of cures in this distressing class of complaints.—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the burning power of this article to act immediately, and the poisonous matter be thrown out from the system.

Eruptive Diseases will find the alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not contain 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if long and muscle are left to build upon, let the emaciated and lingering invalid mope on, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out purporting to be the same as Dr. Vaughn's, such as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary; TOUCH THEM NOT. These fever, ague and bilious mixtures are worthless. Where persons are in doubt, inquire at the Western College of Health, 207 Main street, Buffalo, wholesale and retail.

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone: no other article can relieve you; and the cures testified to will convince the most skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague, &c., are the first West especially, and wherever these complaints prevail, this compound is a perfect antidote. This mineral agent, no delecterious compound is a part of this mixture—it is purely vegetable, and is certainly and celerity, and does not leave the system in a debilitated condition, as do all others that contain mercury. Dyspepsia, a complaint of a most painful character, is immediately relieved, and a few days' use by a few days use of this article. It is far beyond any other preparation for this disease, for any other disease originating from impure blood. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is effected in a few days more. Female weakness as a certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would touch this kind of derangements. It may be feel permitted to say, could give the unusual proof, as proof of cures in this distressing class of complaints.—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the burning power of this article to act immediately, and the poisonous matter be thrown out from the system.

Eruptive Diseases will find the alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not contain 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if long and muscle are left to build upon, let the emaciated and lingering invalid mope on, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out purporting to be the same as Dr. Vaughn's, such as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary; TOUCH THEM NOT. These fever, ague and bilious mixtures are worthless. Where persons are in doubt, inquire at the Western College of Health, 207 Main street, Buffalo, wholesale and retail.

DR. HOFFLAND'S CELEBRATED GERMAN MEDICINES

Are without a Rival for the Cure of the following Diseases!

IF taken according to the directions they will cure any case, no matter who or what else has failed.

VEGETABLE RHEUMATIC PILLS,

For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemoral Asthma and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS.

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action and assist digestion. They can be taken by the most delicate stomach, and in every case will entirely destroy costiveness and renovate the whole system, removing all impurities and remnants of previous diseases, and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able, a dragging sensation produced, which seriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat, causing mucus to rise in the nostrils. Jaundice frequently accompanies it, and a dropsy in the face. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a majority of such cases originate from the irritating causes above mentioned. Cathartic medicines must, in every instance, be avoided in the treatment for it.

The symptoms of Dyspepsia are very various—those affecting the stomach alone, are nausea, heart-burn, loss of appetite, sometimes an excess of appetite, sense of fullness or weight on the stomach, sinking or fluttering of the stomach, &c. Dyspepsia, devoid of a functual nature, will make its attack, if arising from a disease of the stomach, it is dangerous.

Nervous Debility generally accompanies Dyspepsia or Liver Complaint, and a few of the above symptoms will remove all the unpleasant effects, such as fluttering at the heart, aching sensation when in a lying position, dots or specks before the sight, headache and pain in the back part, constant imaginings of evil, and great depression of spirits, and the whole train of nervous affections, without involving him in any responsibility whatever, beyond the premium originally paid in by him; and therefore as possessing the Mutual principle divested of every obnoxious feature, and in its most attractive form. nov1-tf

SILENCE THAT DREADFUL COUGH!—The Tones are in danger, the work of destruction has already begun, the Cough of Consumption hath in it a sound of death.

ARE YOU A MOTHER? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cough, her pale cheeks, her thin shrunken fingers, tell the bold disease has already begun her work—the sound of her sepulchral cough pierces your soul.

Mothers, in the past almost every family has been called to mourn the loss of some near and dear relative, by consumption, and in the present many consumptives are hastening to the grave, who might have been saved by the timely use of a proper
