MESSUS. HENDERSHOTT & STRETCH GENTLEMEN-1 take peasure in adding my testimony in favor of the excellent preparation called Dr. Parish's Chiefse Hair Creins; for about two years ago my hair was very dry, bristly, and disposed to come out, but having procuped. a bottle of the Cream, and used it according to the prescription, if is now clastic, soft, and firm to the head. Many bulsams and oils were applied, each leaving my hair in a worse state than bofore. This Cream, however, has met my expectations.

As any article for the toilet, my wife gives it preference over all others, being delicately perfumed and not disposed to tancidity. The ladies, especially, willfind the Chinese Cream to be a desideratum in their preparations for the toilet.

Respectfully, &c.,
