mail GEO, MILTENDERGER, Art. T. BARNUM has great pleasure in conouncing to the public that he has fitted out a traveling exhibition, consisting of a most curious, valuable and unique variety of novelines and performances, selected with great care from his vast and popular establishment in New York, and forming one of the most interesting exhibitions ever seen in America, embracing, in an eminent degree, instruction and amusement. Neither pains or expense have been spared in combining attractions which are as novel and entertaining, and at the same time instructive, and free from the slightest objections from the moral and religious community. Mr B. also begs to assure the public, that the most strict order and decorum will always be observed throughout the establishment, so that ladies and children will ever find it a perfectly safe and agreeable, place of recreation and amusement, whether accompanied by gentlemen or not—and as an evidence that he will be able to effect this most desirable object, he has pleaure in stating that every person connected with 5 eighth " " "
