Clothing! Clothing!! Clothing!!!

The Three Rs, Reading, 'Riting and 'Rithmetic, Were the Original Studies of the World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market-west of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render the old motto called Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, but notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the same principle I can afford to sell at much less profit than others could possibly think of doing, if they wished to cover contingent expenses. I intend to make a clean sweep of all by prescribing before the beginning of next year, coming to this conclusion, I will make it the business of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors

Spring Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. It will not underrate to describe to those brave to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 125,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual! But such things will be, as long as perseverance and industry is the main-spring of trade. Without any intention of boasting, on my part, I will assert the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and require an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 20 to 25 per cent. in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

TIC MEDITABLE LITHONTRIP

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIP

TIC

THIS celebrated remedy is constantly increasing its fame for relieving more of the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy: all stages of this complaint immediately relieved, and in most cases completely cured. (See pamphlet for testimony.)

Kidney and all diseases of the urinary organs; for these distressing complaints it stands alone: no other article can relieve you; and the cures made by it defy competition. Don't be skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, &c., are speedily cured.

Weak Eyes, and wherever these complaints prevail, this compound is a part of this medicine. No ointment against it. Dr. Vaughn's Pills, a compound of a most powerful character, is immediately relieved by a few days use of this article. It is far beyond any other medicine, or for any other disease originating from impure blood. Scrofula, Weak Kidneys, &c., or Inflammatory Rheumatism, can be relieved by a few days use of this medicine; it immediately purifies the blood, and a perfect cure is the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruation, &c. Also, "A Youth's Counselor and Friend," a book which would touch this kind of derangement, and is called upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.

Empiric Disease will find the alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. DR. HOFFLAND'S CELEBRATED

GERMAN MEDICINES

Are without a Rival, for the Cure of the following Diseases!

VEGETABLE RHEUMATIC PILLS.

IF taken according to the directions they will cure any case, no matter who or what else has failed.

For the permanent cure of Rheumatism, Gout, Ganglight recommended for the cure of Dropsy, Hemoral Asthma and Neuralgia. Patients taking them, in most cases, can experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS,

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, Arising from the liver or stomach; Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action and assist digestion. They can be taken by the most delicate stomach, and in every case will entirely destroy costiveness and renovate the whole system, removing all impurities and remnants of previous diseases, and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and sorenes upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able, a dragging sensation produced, which sensionally affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, debility of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat, causing nodus to rise in the nostrils. Jaundice frequently accompanies the above symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a majority of such cases originate from the irritating causes enumerated above. Cathartic medicines must, in every instance, be united in the treatment for it.

The symptoms of Dyspepsia are very various—those affecting the stomach alone, are nausea, heart-burn, loss of appetite, sometimes an excess of appetite, sense of fullness or weight on the stomach, sinking at the pit of the stomach, fetid eructations, or sour arising from the stomach, &c. Dyspepsia, devoid of a functual nuisance, is without danger, but, if arising from a disease of the liver, is dangerous.

The symptoms of Indigestion are a disease of the stomach, all wind; Shawls of every style and quality; Cassimeres, Satinetts, Linseys and Kentucky Jeans; bleached and unbleached Muslins from 6¼ to 16c. per yard; Tickings, Checks, strip'd Shirtings, bleached and bonnet Drillings, etc etc All of which are offered at wholesale and retail at the very lowest cash prices.
