

TO ARMS: TO ARMS: --Threatenedin-vasion of Western Penna. by Col Swift, with 10,000 men, notwithstanding which, J. M. White will continue to sell cloubing cheaper than any has heretofore been offered in the Western country, hav-ing the largest establishment in the city, fronting on Lib-erty and Sixth siz. He is now prepared to show to his numerous partons the greanest variety of cloubse, encithe status. The is now prepared to show to his lefous patrons the greatest variety of cloils, cassi-es, vestings, and clothing of all descriptions, suitable the approaching sensor: that has ever been offered in market, to which all can have the Right of Way.— erve the corner, No. 167, Liberty and Sizh ist. ar25 J. M. WHITE, TALLOR, Proprietor.

THE Spring and Summer stock that is now ready to be 1 offered at the add original THREE BIG DOORS. Is one of the largest and choices in selection that has ev-er been exhibited by any one concern in this or any oth-er other exhibited by any one concern in this or any oth-er other exhibited by any one concern in this or any oth-er other exhibited by any one concern in this or any oth-er other exhibited by any one concern in this or any oth-er other exhibited by any one concern in this or any oth-er other exhibited by any one concern in this or any oth-er other exhibited for the star one of the exhibited by the now have to offer them; but will simply tell them that if they only favor me with a call. I will hay before the me risting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Veski, to the as-tonishment of the beholder, with both mouth and eyees open, wondering in the most extravagant degree of a could possibly be collected together under the control of one individual. But such things will be, as long as per-severance and industry is the main-tarping of trude. Without any intention of honsting, on my part, I will say at the same time, it is of such metal I am principally com-posed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from mentary in the idential and the same time, it is of such relater the former, the mechanic, and the day laborer. My whole attention is taken up with the greatest car for their welfare, in get ing up fashionable, and at the same time substantial gar-ments, to meet their demands': and as for others, who fancy themselves moving in a different sphere, and re-quiring an article of the net use substantial gar-metary to word. Now, let me say a word or two to my country merel-mats in the trade: If you wish to save from at lenst 25 to 20 per cent, in your wholeshele parchases, call in at the "Three Big Doors," and if I don't uncet your most san guine hopes, int the way of geting che
