Abusciof Mrs. Cass. The infamy of the course adopted by the Federal While the lying leaders of the Federal party are al leaders, is almost uniformity in an eract ratio continually assailing Gon. Cass; and striving to prowith the desperation of their cause. During the doce the impression that he has acted against the in contest which resulted in the triumphant election of terests of the Volunteers, they would have the People and the Volunteers themselves forget that their the great and good patriot of the Hermitage, in (828, the Federal harpies throughout the country, own party, and these identical villainons leaders among the number, have been more powerful ene penetrate 1 the sanctuary of his private life, and invaded its most holy relation. The kind, the amiable, mies to the Volunteers than the armed Mexicans themselves. This position can be satisfactorily sus the gentle, the christian wife of JACKBON, Was assailed in a manner even less mild and charitable, | tained by the facts, that they by their traitorou than! men extend to the unfortunate inmates of course, have encouraged the Mexicans to continue brothels. And she, who was a pattern for her sex, the war, until their last resources had been consumin all the endearing relations of wife, and friend, ed; that they have delayed making the necessary ap and philanthropist-she, whom but to see was to propriations, to meet the the wants of the Army and love and to honor, was prematurely sent to the have even threatened to make no appropriation whatever-thus leaving the Volunteers to starve, or grave, overwhelmed with sorrow. The same infamous wretches-or those of kindred to force a subsistence from the Mexicans ; that they

The Federalists ..... The Volunteers.

spirit-are now engaged in a similar work. Not have shown, by their acts, that they had no sympa ontent with lying about Gen. Cass in relation to thy for, and placed no confidence in, the brave Volunteers, who are the bulwarks of our freedom; and every act of his public life; and even going back to that they have, directly, as the crowning proof of his early boyhood to make up stories, such as besides themselves, the Prince of Darkness only would their hostility, refused to make any allowance to them upon their discharge, beyond that which they can circulate; they must now scrutinize the private transdemand under existing laws. In order to place them upon something like a fair actions of the members of his family; and, dragging

these before the public, seek to perverts and misrepresent the philanthropic and charitable acts of a footing on their return from Mexico, a Democratic Representative from this State introduced into the most estimable lady: All who have any acquaintance with Detroit, or House of Representatives at Washington, a bill grant who have heard of Mrs. Cass, well know that her ing to them three monthe' extra pay, upon their disname has always been identified with every work charge from service. This measure of justice was of kindness and mercy that has been started in rejected by the whig majority there. It was however that place, since her residence there. Indeed she er, taken up and passed in the Senate, a democrathas long been known as one of the nursing mothers ic body, and sent back to the House. A motion was of the city, in all works of mercy. But among all made that it be taken up and acted upon immediatethe objects that have engaged her attention, the Sab- . ly, out of its regular order. This required the unbath School cause; and the Sewing Circle, have been animous consent of the House. Objection was foremost in her affections. For many years, as we made by a whig member, (Mr. Dickey,) and it could nave been informed by excellent authority, her not be taken np. Now let the volunteers remember rouse has been the constant meeting place of the that this proposition, so important to their interest Sewing Circle of which she is the founder, and when has been sustained by the friends of Gen. Cass the ever a new Sabbath School has been talked of, Mrs. Volunteer Generals and that it is opposed by those who sustain Gen. TAYLOB and the regular army. Cass has been uniformly advised with on the subject; They are about to be discharged from the service, and has always been one of the largest contributors and some of them will incur much exspense before to that glorious work of mercy and benevolende .-A few weeks; since (some days before the meeting of they can reach their homes. Their friends in Conthe Baltimore Convegting,) an occasion of this kind gress, the Democrats, wished to make all the propresented itself. A Sabbath School in a neglected vision for them, which their noble services to the part of the city of Detroit, was languishing for want country entitled them to; and the Federal leaders there refused to do them this act of generosityand was made acquainted with the true condition of nay, of sheer justice. Let the volunteers ren the achool; which being done, she at once paid over to ber these things, and they will not be long in deter the Superintendant, for the use of that School, the mining who are their friends, and on which side they should cast their influence and their votes. sum of fen dollars-not a very great sum, it is true, but yet enough to purchase, for the use of the chil-Gen. Cass and the Voinnteers.

contrast of it with her course in past life,-that tion of the best interests of that branch of our milicontrast of it with her course in past life,—that could mark it as an improper or a mercenary ene, could mark it as an improper or a

Music for the Million.

Ana—" Dandy Jon." I've often heard it said of late, That Michigan it is the State, Where Democrate are bound to shine, As in New York and Caroline. For oh! the people told me so, Old CASS is the man for the country, oh, I looked in his face and found it so, fust as the people told me oh!

There's BUTLER, too, he is the man Who'll bring the Whiggies to a stand ; From old Kentucky he does come, . And with her he's a favorite son. For oh! the people told me so, . He's a leading team in the "Keystone" too, looked in his face and found it so; Just as the people told me oh!

Ch! we ask for nothing but what's right, And for our cause we'll firmly fight; We'll lick the coons to their heart's conte By electing Cass our President. For oht the people told me so, Ho's the strongest main in the country, oh! I looked in his face and found it so, Just as the people told mo oh!

It's now I tell you, one and all, Let's be united in the fall, And Gen. Cans we can elect, With the gallant Butler of the West; For oh! the people told me so, Old Cass is the man for the country, oh!

I looked in his face and found it so, Just as the people told me oh ! Correspondence of the Morning Post.

Ente, July 5th, 1848. Mr. Editor: I presume you, as well as others, find it but little use to follow up the *lies* and *Roor-backs* of these Federal Whig Editors and Politicians, in regard to our candidates; as by the time you con-fute one lot, another grist is ground at the political build encared with their finance.

dren there, a very song Library of Sabbath School Books. Of course, the recipients of this kindners were unwilling that it should be unknown, and spoke of the act in a manner commensurate with

spoke of the act in a manner commensurate with their grateful feetings. Notwithstanding there was nothing in this act,---the time or the manner of its performance, or any contrast of it with her course in past life,--that

Becond Pénnsylvania Regiment. We take the following from the New Orleans Picagune, of the 28th: Eight companies of this gallant regiment, or rather the remnant of their form-or strength, left this city last evening on board the ateamer Taglioni, for Pittsburgb. Few regiments in the service during the brilliant campsign from Vera Cruiz to the city of Mexico, have added by deede of valor more to the military renown of our com-mon. country, than the Second, Pennsylvania. It has, we believe, shared in the perils and the glory of every battle from Vera Cruz to the Garita of Mexico. Out of a roll of 1160 men, when mustered into ser-vice, the regiment now returns, scarcely numbering vice, the regiment now returns, scarcely numbering 500 rank and file. The following is a list of the officers of the detachment which left yesterday for

Thirtieth Congress.--- First Session.

WASHINGTON, July 10, 1848. SENATE .- Agreeably to notice, Mr. Hale asked leave to bring in a Bill in relation to the Public Lands-providing that every male citizen who is landless, may enter upon 160 acres; and receive a patent after five years residence. Read three times by unanimous consent and referred .::

Mr. Benton earnestly approved the Bill. A petition was presented for the purchase of Mt. ernon, to establish a National Botanical Garden. eferred to Committee of Agriculture.

Mr. Niles from the Committee on Post Offices, reorted a Bill, giving the franking privilege to M. de

Mr. Atherton reported a Bill for the payment of he claim against Mexico.

Mr. Hannegan gave notice that he would move an amendment, providing that all states south of the Missouri compromise line, should have the privilege to come into the Union with or without slaves, according to the will of the inhabitants. Adjourned; House-Mr. Stevens, on leave, introduced a Resolution for defining the boundaries of New Merico and California.

Mr. Stevens then addressed the House. . He seemd much excited, and accused the President of duplicity and inconsistency, in claiming the Rio Grande s the boundary of Texas, in his Message of 1846, while in Shield's instructions he declared that Texas

had not established that boundary. Mr. M'Lean denied the accusation charged against the President.

meeting of the proprietors, held a few days ago, this opinion was generally expressed. They ago this competition, with the eastern in the competition with the eastern in the chances so greatly sgainst them. The '' Ten Hour Law?' they will not submit to-be they ago until it is made general throughout all the manufacturing States.
