For incainess in style and workmanship, combined with the very low price which they will be sold for, must certainly render: the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to the western country. It is gratifying to me to be able to announce to my numerous friends, at home, and abroad, that notwithstanding the extraordinary efforts which I have made to make the many calls in my line, it is with difficulty Lean keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are cignt or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to odver contingent expenses. I intend to make a clean sweep of all my presentatock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit to call and purchase at the Three. Big Doors.

ARE YOU'S MOTHER? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease his already gained upon her—the sound of her supulchral cough pierces your soul.

Young Max, when jast about to enter life, disease sheds a heart crushing blight over the fair prospects of the fature—your heetic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a bulm which will head the wounded langs, it is

Sherman's All-Healing Balsam.

MIS. ATTERS, the wife of Wm. il. Attree, Esq. was given up by Dr. Sawall of Washington, Drs. Roe and McClellan of Philadolphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

MIS. Gamabarstrz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skelton. Dr. A. C. Castle, Dontist, 231 Broadway, has winessed its effects its several cases where no other medicine alforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Ashma, which it never fails of doing. Spitting Blood, alarming as it may be; is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HERNEY JONES, 163. Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave, him more relief than all the other medi-- whise to in control, unless the vitals are destroyed. Catter from the control of the control o No. 2 Com Row, Laberty, st., near Canni.

Fristol's Extractof, Sarsaparilla—It were but courtery to call the attention of our readers to this invaluable preparation which will be found advertised in another calumn.

Mr. Bristol is a brother, and issues a highly interesting, newspaper, every now and then, one or two numbers of which we have already noticed; and the medicine itself, has been culogised by nearly all the press of the westonic country, and, we doubt not, justly culogised. It has in its favor, moreover, very fastering, testimonals, from the most eminesh practitioners in every part of the country, where it has been used. There is beauty and taste enough in the bottles, and in the engraved labels in which it they are enveloped, to induce a purchase, even if the preparation itself were not one of the "savereignest in the world," as every person must believe it, is—that is, every one must believe it is—that is, every one must believe it is—that is, every one who would not resist a mass of documentary evidence conclusive or the bottles, gentle reader, and see whether you do not agree with us on this point.

PHRUMATISM, GOUT, AND TIC DOLOREUX—R. A respectable gentleman called at our office, as he said, to inform us that he had been afflicted for 15 years with Rheumatism or Gout, and occasionally with Tic Doloreux; that he had been frequently confined to his room for months together, and often suffered the most intense and exercicating pain, but that lately he had been affected with Ulcerations in the Throat and Nose, and a singreable eruption of the Skin. Indeed, his whole system bore the marks of being snurated with disense. One hand and wrist were so much affected that he had been complaint, when death appeared inevitable from mation to the diseased and debilitated constitution. There is nothing superior to it in the whole materia medica. It is perfectly safe and extremely pleasant, and has nothing of the disgusting nausea accompanying the idea of swallowing medicine.
