Daily Review of the Markets.

OFFICE OF THE POST,
TUESDAY MORNING, *August* 10th, 1848.

Yesterday was another of the extremely dull days. The rivers are falling, and there is but little freight.

ASHES. There were one or two small sales of Pods Ash yesterday at 4¾@4¾c. Other kinds are dull and no change in prices.

FLOUR. We heard of but two sales on wharf: 33 bbls. at $4 10; 34 at same. There were some lots on consignment. Sales from store at $4 25@4 31½.

FRUIT. In Oranges and Lemons there has been a decline. Sales of Oranges at $6 00; of Lemons, at $6 25@6 50. There is now no demand for them—as the market is so fully supplied with seasonable fruit.

FISH. The market is rather bare of *Herring*, sales of which are made at $5 75@6 00. Of *Shad*, sales are made at $9 00. Of No. 3 *Mackerel*, we hear of sales at $5 75@6 25.

CHEESE. Sales of common at 5¾@5¾c.

BACON. There has been no actual advance yet; sales have been made at former quotations. Sales yesterday of canvassed at 7c.; by retail 8c. is obtained. City cured Hams sell at 6¾@7c.

COTTON YARNS. We are informed that the supply of Allegheny Cotton Yarns is about exhausted; but no alteration has yet been made in the figures.

APPLES. Sales of Marietta from store at $1,00.

OATS. Sales from first hands at 27c.; from store 31@32c.

OILS. Linseed sells by single bbls. at 54c.; Lard we quote at 51@52c.

BUTTER. Sale of 13 kegs in good order at 9c. for shipment east.

BRAN. Best article of Bran sells at 12½c. from store. None coming that we have noticed.

LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement or disease in the Biliary, Digestive, Vascular, Respiratory, and Nervous systems, such as constipation, inward piles, heartburn, loss of appetite, coated tongue, acidity of the stomach, swimming of the head, fullness or weight in the stomach, dimness of vision, pain in the head, pain and dullness of breathing when lying upon the side, frightful dreams, sour eructations, yellowness of the skin and eyes, deficiency of perspiration, &c. &c., can be effectually cured

BY DOCTOR HOOFLAND'S
CELEBRATED GERMAN BITTERS.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skilful physicians had failed.

Derangement in the liver and stomach are sources of many diseases—from disorder or obstruction of manful action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as nerves are the connecting medium between mind and matter, it follows from the reciprocal action that both must be more or less implicated and deranged simultaneously—a derangement there will also produce disease of the SKIN, LUNGS, UTERUS and KIDNEYS, as well as the brain. The statements, we do with YELLOW FEVER, CHOLERA or INFLUENZA, is owing to the same cause; and the unanimity of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of matter, as upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system.

The late success in treating disease of the liver and stomach successfully has not been want of pathological knowledge of their functions, but the preparation of a compound that would act upon the disease and all the sympathetic affections. That point has been gained in these Bitters, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy costiveness, and give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.

ALL CAN BE CURED,
WHO WILL USE THEM AS DIRECTED,
AND IN WITHIN THE POWER OF MEDICINE.

The few months that preparation has been before the public, has, from its infallible efficacy, elicited the eulogy of the press through the land, their object being for the benefit of suffering humanity, it surpasses all compounds of all precedents, and is free from all alcoholic stimulant, syrup, mercury, aloes, quinine, acids, and all injurious ingredients, and especially adapted to the diseases of the variable climate of the United States, and the West India Islands.

TWEEK AND DELICATE CHILDREN,
are made strong by using it—in fact it is a family medicine, and can be administered with safety to a child one year old, the delicate female, or a man of ninety.

The Philadelphia Democrat says:—This medicine has an extraordinary virtue and efficacy, and is in great demand. We can speak from experience, that it has produced many wonderful cures."

The Daily Sun says:—We believe it is one of the best medicines of the age—a friend having used it in his own family with great satisfaction in the Jaundice and Liver Complaint."

The Spirit of the Times and Keystone says:—"Do our good citizens, who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters? If they do not, we recommend them to the German Medicine Store, 278 Race street; all who are afflicted with Liver Complaint, Jaundice, Dyspepsia or Nervous Debility; the Doctor has cured many of our citizens, after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are entirely vegetable.

The Evening Bulletin says:—The Celebrated (*German Bitters are an invaluable remedy for Jaundice, Dyspepsia, and nervous complaints.*"

The Gazette says:—"It is not often we notice the various excellent medicines advertised in our columns, because we are unwilling to speak except from personal experience, and a good constitution fortunately makes us generally strangers to such articles. A word, however, of *Dr. Hoofland's German Bitters.* This we know to be an excellent article fulfilling in every respect what is claimed for it by the advertiser.

The Daily News says:—

"A MEDICINE.—We speak knowingly of Dr. Hoofland's celebrated German Bitters when we say it is a blessing of this age, and in diseases of the biliary, digestive and nervous systems it has not, we think, an equal.

—IT IS A VEGETABLE PREPARATION AND MADE WITHOUT ALCOHOL; and to all invalids we would recommend it as worthy their confidence.

What stronger testimony can a medicine have? At the Depot can be seen the evidences of many of our most respectable citizens of Cures in all the foregoing diseases.
