The Three Big Doors vs. The Wisest World!!!

150,000 WELL SELECTED GARMENTS now ready made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this fashionable and extensive establishment has just returned from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements, and has purchased a stock of clothing that has ever been offered in this or any other market—the manufacturers, for peasers in style and back yet most fashionable, combined with the very low prices which they will be sold for, must certainly render the old unrivalled Three Big Doors an object of great attraction to the western country. It is gratifying to me to be able to announce to my numerous friends, at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this while the other trades complain and I can afford to sell at much less profit than others could possibly think of doing if they wished to—for the reason that I turn my stock over so often. A clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one establishment in the city of Pittsburgh. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them with a call, I will say before them 175,000 different garments to make a choice out of, consisting in part of coats, from the richest to a quality down to the lowest to price; Pantaloons and Vests to the assortment of the beholder; with a handsome and fine complement of the most extravagant degree of surprise; how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main spring of undertakings. Without any intention of boasting, on my part, I will say that at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, or embarrassment whatever may be, can deter me from accomplishing my object, in pouring forth for the former, the merchandise, and the day, to-morrow. My whole attention and study is to give my greatest care for their welfare, in getting them up in fashionable, and at the same time substantial garments, in most their demand; and as for others, who may be desirous of moving in a different sphere, and requiring anything in the Tailoring line, they will find in quoting an article, of the *as plus ultra* kind, they can obtain it, and a full outfit of their wants, and they are only to call on a world.

Now, let me say a word or two to my country merchants—I would say, that I am about from at least 25 to 30 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't save your most sanguine hopes, I am sorry of getting cheap bargains, and fresh seasonable goods. I will not in future attempt to offer any further inducements of a similar kind as generous people of so noble a nature and close discernment.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIP TIC.

THIS celebrated remedy is constantly increasing in fame by the making all over the world. It has now become the only medicine for family use. Its universal fame daily recommended for Dropsy: all stages of the complaint immediately relieved, no matter of how long standing. (See pamphlet, which is given away.)

Gravel, and all diseases of the urinary organs: for these distressing complaints it has never failed, and in a few days can relieve you, and the cures testified to will convince the most skeptical—(see pamphlet.) Liver Complaint, Dyspepsia, Fever and Ague. For this class of diseases, especially, and wherever there is complaint generally, this medicine is offered. No mineral agent, nobeleterious compound in it. Dose small. Its operation mild and pleasant. Immediately restores the natural color of the skin, and in a few days will entirely eradicate all disease from the system. Many certificates of remarkable cures, performed in this city and vicinity, can be seen at the office.

Debility of the System, Weak Back, Weakness of the Kidneys, &c., &c. Suffering for the same, is hereby advised to relieve yourself at once of this medicine, and a cure is always the result of its use. It stands as a certain remedy for Gravel, complaints of the urinary organs, and the female frame. Irregularities, Suppressions, painful menstruations. No article has ever been offered, for universal use, which would stand the test of its components. It may be relied upon as a sure and effective remedy; and, did we feel permitted to do so, we could refer to hundreds who feel permitted to do so, we could refer to hundreds who feel certain in this distressing class of complaints—(see pamphlet.) All broken down, debilitated constitutions, from the effects of mercury, will find in it a healing power of this article to act immediately, and the poisonous mineral eradicated from the system.

Erysipelas, Blotches, Boils, Tetter, Scurvy, Ulcers, Sores, the restorative properties of this article purify the blood, and drive such diseases from the system. See pamphlet for testimonials. Fever sores, of long standing, which the faith of an advertisement will not permit to be named here; Agents give them away; they contain the most valuable information of high and low diet, and muscle are lost and build upon, let the emaciated and lingering invalid note on, and keep taking the medicine as long as any complaint remains. R. B. The proprietor would caution the public against a number of articles which some dealers are offering as a substitute for the Dr. Vaughn's Vegetable Lithontriptic Mixture, blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid. Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Offices supplied exclusively to the sale of this article—132 Nassau st., N. Y.; 265 Essex st., Salem, Mass.; and by the principal Druggists, throughout the United States and Canada, as Agents.

HARNDEN & Co continue to bring out persons from any part of England, Ireland, Scotland or Wales, with the most liberal terms, with their usual promptness and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling scamps of Liverpool, as we pay all their expenses from the moment they report themselves, and see to their well-being, and despatch them without any detention by the first ship that sails. We say this fearlessly, as any of our passengers to show that they were detained *one day* at Liverpool, while thousands of others were detained from *one week to a month*, and then had to pay *double rates* for a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, *cost what it may*, and not act as was the case last season with other offices, who either performed not at all, or when it suited their convenience.

Connell's Magical Pain Extractor.

IT has now conquered the world—Connell's Magical Pain Extractor, manufactured by Comstock & Co., 21 Courtland st., New York, is the greatest wonder of the 19th century. It is a sure cure for rheumatism, swimming of the head, faintness or weight in the stomach, dimness of vision, palpitation of the heart, Choking or suffocating sensations, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imagining of evil, fearful and dull pain in the head, pain and difficulty of breathing when lying upon the side, frightful dreams, horrors, contortions, yellowness of the skin and eyes, &c. &c. &c. can be effectually cured by DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.

Their power over the above diseases is not excelled or equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skilful physicians had failed.

Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as nerves are the connecting medium between mind and matter it follows from the reciprocal action that both must be more or less implicated and deranged simultaneously; derangement then with such produces diseases of the SKIN, KIDNEYS, UTERUS and BLOOD, as well as the brain. The thousands who die with YELLOW FEVER, CHOLERA or INFLUENZA, is owing to the same cause; and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of matter; as upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in constituting the source and fountain of life, which is nutrition. No pagan possesses such a remedy for diseases as this, and no power in medicine is more astonishing than its power in modifying every part of the system.

There are scenes in running diseases of the liver and stomach successfully has not been a want of pathological knowledge of their functions, but the preparation of a compound that could reach, with its disease, and all its sympathetic afflictions. That point has been gained in these Bitters, and they are ENTIRELY VEGETABLE, and will in every case prove perfectly innocuous. Persons need give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach in any or all circumstances.

ALL CAN BE CURED
WHO WILL USE THEM AS DIRECTED.
(IF WITHIN THE POWER OF MEDICINE.)

The few months this preparation has been before the public, has, from its infallible efficacy, elicited the eulogy of the press through the land, their object being for the benefit of suffering humanity; its success has surpassed all precedents, and to-day it is prized by thousands as a panacea for human diseases. Those already deeped in its praises are generally strangers to such articles. A word, however, of Dr. Hoofland's German Bitters. This sun know ever, is sufficient for every one to be satisfied as to its being all it is claimed for it by the advertiser.

The Daily News says:

"We speak knowingly of Dr. Hoofland's celebrated German Bitters when we say it is a blessing of this age, and in absence of the billious fever, which might add as proof to its efficacy, it has an equal. It is a VEGETABLE PREPARATION AND MADE WITHOUT ALCOHOL, and in all invalids we would recommend it as worthy their confidence.

What stronger testimony can a medicine have? Atthe Depot of the Proprietor, 631 Arch street, and of many of the most respectable citizens of Cuba, in the surrounding country.

SILENCE THAT DREADFUL COUGH!—The Lungs are in danger, the work of the destroyer has been commenced, the Consumption is at hand, the sound of death.

ARE YOU A MOTHER? Your darling child, your idol and comfort, joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, brethin shrunken form, the full disease has already gained upon her—the sound of her sepulchral cough pierces your soul.

YOUNG MAN, when just about to enter life, disease steals a fatal grasp, fixing blight over the fair prospects of future—your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which, when has tried it,

Pittsburgh, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY—Gentlemen: For several weeks under the disadvantages of a harassing cough and most distressing cold, which had, thus far, resisted the efforts of several of the "infallibles" to relieve me, I purchase a bottle of your Original Cough Mixture, and gave it a fair trial. To my great surprise, after using one bottle of the said Cough Mixture, I found myself entirely relieved. *"It is the best Cough Medicine I ever saw."*
