The Three Big Doors vs. The Western World ! ! !

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For rareness in style and the best wear of the manufacture, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush of business on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap suit, overcoat, or pantaloons to call at the Three Big Doors.

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe in the matter the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will buy before them 75,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the amount of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of ready made clothing could possibly be collected together under the control of one individual. But such things will be, as long as my government and industry in the main-spring of trade—Without any intention of boasting, on my part, I will say that there is not a house in the city that can sell cheaper at the same time, it is of such merit; I am principally compared, for nothing in the shape or form, of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the former, the accommodating my object, in providing for the former, the accommodating my wants, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the very plus ultra kind, they can rest assured that we give no outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 30 per cent, in your wholesale purchases, call in at the Three Big Doors, and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

Its fame will convince the most skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. To the West, Southwest and Southern parts, where these complaints prevail, this medicine is offered. No mineral agent, no deleterious compound in a part of this mixture: it comes from the vegetable kingdom entirely, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most painful character, is entirely relieved by the use of a few days of this article. It is far beyond any other preparation for this disease, or for any other disease originating from the same cause, and will prevent Debility of the System, Weak Back, Weakness of the Kidneys, &c., or Inflamation of the same, is immediately relieved by the use of this article, and a perfect cure is always the result of its use. It stands as a certain remedy for such complaints; and also for derangements of the female frame. Numerous testimonials, many of them most unanimous. No article has ever been offered, except this, which would touch this kind of derangements. Ask your physician for this article, and if he is honest, and will be free to admit, he will tell you of its merits. REMITTANCES and Passage to and from Great Britain and Ireland, by W. & J. T. Tapscott, 75 South st., corner of Hide Lane, N. Y., and 98 Wade's Row, Liverpool.

The subscribers, having accepted the Agency of the above Houses, are now prepared to make arrangements on the most liberal terms with those desirous of paying the passage of their friends from the Old Country; and from the well known character and long standing of the houses they represent, they feel confident that all their arrangements will be carried out faithfully.

W. & J. T. Tapscott are long and favorably known for the superior class, accommodation, and sailing qualities of their Packet Ships. The QUEEN OF THE WEST, SHERIDAN, GARRICK, HOTTINGUER, ROSCIUS, LIVERPOOL, and SIDDONS, are intended to leave each port monthly—from New York the 21st and 20th, and from Liverpool the 6th and 11th; in addition to which they have arrangements with the Swiftest and Finest Liners (Liverpool Packets), to insure a departure from Liverpool every five days, being thus determined that their friends shall have the benefit of their increasing patronage while Mr. W. Tapscott's constant personal superintendance of the business in Liverpool is an additional security that the comfort and accommodation of the passengers will be particularly attended to.

The subscribers being, as usual, extensively engaged in the Remittance business between Europe and the United States, are thereby enabled to take charge of and forward passengers immediately on their landing in either country—without detention or delay; and are, therefore, prepared to contract for passage from any seaport in Great Britain or Ireland to that in the United States, by any line of regular packets, on the most favorable terms. Persons intending to send for their friends, may rely upon the most strict economy and punctuality in the management of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the wharves of Liverpool, but see to their safe embarkment—then report themselves, and see to their well-being, and despatch them without any detention by the first ship. We say this confidently, as we defy any of our passengers to show that they were detained forty-eight hours by us in Liverpool, whilst thousands of others were detained months, and then swindled out of their money, *cash,* at a cheap rate, which, too frequently proved their ruin.

We intend to perform our contracts honorably, *exactly what it may,* and not act as was the case last season with other offices, who either performed not at all, or with such delay and inconvenience, as to cause much complaint.

Drafts drawn at Pittsburgh for any sum from £1 to £100, payable in any of the Provincial Banks in Ireland, England, Scotland and Wales.
