If you have, your skin becomes clear, white and smooth. If you have, your skin becomes clear, white and smooth. If you have, your skin litch—you can be cured; for I have seen persons who land filthy skin diseases for years, and after trying every thing in vain, have, been cured by washing the part with Jones Italian Chemical Soap, and can conscientiously offer it for any of the above complaints, which I would not do, unless I knew it to be all I state. If you have Sun Spots, Freckles, Morphew, Tan, Sun Burn or disfigurements of any kind, it will dispel them and make the skin beautiful—it is a sure antidox and cure for the bites of musquitoes, bugs, &c.

[D] Beware of counterfeits. Particularly cheap ones—ask for Jones' Soap, and see that the name of T. Jones is on each cake. Persons from or in the south and other warm climates, would find this not only for themselves, but it is a never-failing remedy for chaps and chafes in infants. And now, reader, by giving this one trial you will find it all or even more than we have stated above. Sold at 82 Chathan street, N. Y and by Wm. Jackson, agent, 29 Liberty street, Pittsburgh.

"Dear Sir—The wonderful effects of Jones' Coril Mair Restorative has been decisively demonstrated in the cases of several respectable chizens of the town, who, on account of your selling three shilling trial bottles, try it without fear. One instance, which has attracted particular attention, is the case of a gentleman who had slittle or no hair for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved and wore a wig. At my recommendation, he tried the Restorative, and after using it, according to the direction, for a short time, the young hair appeared, and he has now
