Clothing! Clothing!! Clothing!!!

The Three Big Doors on The Western World!!!

WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to any old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the largest and best stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low rates at which they will be sold, this establishment cannot be surpassed. Called Three Big Doors one of the greatest wonders of the western country. I intend to make it so. I announce to my numerous friends at home and abroad that notwithstanding the extraordinary low rate, it is with have made to meet the hurry and the constant rush that is daily visiting me, I can keep time with the constant rush that is made on this establishment. Its size is well established one of the largest, if not ten times larger than any other house in the trade, and this being the case on the amount sold. I can afford to sell at much less profit than others can afford, and think of doing, if they wished to cover contingent expenses. I intend to make the fall and winter season of 1848 eclipse the beginning of next season, and in conclusion, I will make it the interest of every man, who wants a cheap suit, to call at the east or west door, and purchase at the Three Big Doors.

Whole testimonials: (See pamphlet for testimony.)
Gravel, and all diseases of the urinary organs; for these alone it is unrivalled, and in these alone; no other article can relieve you; and the cures testified to will convince the most skeptical.—(See pamphlet.)

Its immediate effects are the result of this mixture; it cures these diseases with certainty and celerity, and does not leave the system torpid. (See pamphlet for testimony.)
Female Irregularities, Suppressions, painful menstruations. No article ever before the public is equal to this, as such it would touch this kind of derangements. It may be relied upon as a sure and effective remedy; and, if we be permitted to compare, for passages from any sex, we refer to the following names as cures in this distressing class of complaints—(See pamphlet.) All broken down, debilitated constitutions, from the effect of mercury, will find the bracing tions, from the effect of mercury, will find the bracing properties of this article to act immediately, and the poisonous mineral eradicated from the system.

It is one of the peculiar features of this article, that it never fails to act in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid more on, and keep using the medicine a long or shorter time, as the case may require. The proprietor would caution the public against a number of articles which come out under the head of Genuine, &c. They are not so in this article but done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell this article, are kind to explain and recommend.
