The Three Big Doors vs. The Warm World!!!
150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that unvarishading the extraordinary advantages which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is as well established a fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover their extravagant expenses. I intend to make a clean sweep of all my present stock before the beginning of next year coming to this conclusion, I will make a large cut of every article, even to cheap winter suit, to call and purchase at the Three Big Doors,

Clothing! Clothing!!
THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. It will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of ready-made clothing could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade. Without any intention of boasting, on my part, I will say, at the same time, it is of no benefit to any principally composed, for nothing in the shape or form of difficulties, no matter when their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the utmost care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 30 per cent. in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is increasing its fame by the making all over the world. It has now become the only reliable, safe, and sure remedy for family use, and is particularly recommended for *Dropsy, Gravel, &c.*, and all cases of this complaint immediately relieved, no matter of how long standing. (See pamphlet.)

Gravel, and all diseases of the urinary organs, for these distressing complaints it stands alone; no other article can relieve in the least degree, and fails not to convince the most skeptical.—(see pamphlet.) *Female Obstructions, Bilious Diseases, Fever and Ague.* To the Great West especially, and we would invite all travellers to call, this medicine is offered. No mineral agent, nodeleterious compound is a part of this mixture; it cures these diseases with certainty and expedition, and leaves the system tonned. (See pamphlet.) Files, a complaint of a most painful character, is immediately relieved, and a cure follows by a few days use of this medicine. It is known by any other preparation for this disease, or for any other complaint originating from our climate. (See pamphlet.) Debility of the System, Weak Back, Nervousness, Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this remedy, and a cure is always the result of its use. It stands as a certain remedy for each complaints, and also for derangements of the female frame, from whatever cause, or however long standing. No article has ever been offered, except this, to relieve and cure this kind of derangements. It may be relied upon as a sure and safe remedy, and one that we feel permitted to do so, to give a thousand names as proof of every description, and also a long and interesting class of complaints—(see pamphlet.) All broken down constitutions, from the effect of mercury, will find the bracing power of this remedy unsurpassed for speedily, and the poisonous mineral eradicated from the system.

Empirics Diseases will find the alterative properties of this article require a long continued use to eradicate from the system. See pamphlet for testimony of former diseases, which the limits of an advertisement will not permit to be inserted. A genuine pamphlet of 36 pages contain 32 pages of certificates of high character; no other one agency of proof of the virtues of a medicine, ever appeared. It is not a quack medicine, but a medicine, that it never fails to benefit in any case, and if bone and muscle are left to work upon, let the emaciated and lingering invalid work on, and they will be sinking in a short time to utter ruin and improvement. The proprietor would caution the public against spurious imitations of articles which come out under the heads of SARSAPARILLA, and certain cures for Dropsy, Gravel, &c. They are good for nothing, and concocted for the purpose of deception. Their inventors never thought of curing such diseases. This article had its origin in the

*Facts is earnestly solicited.—A particular study of the pamphlet is requisite, which will be sent gratis on application, and given to circulate gratuitously. ALMANACS! ALMANACS! ALMANACS! *DE BAINE* wonfil hereby inform the public that he publishes annually, for gratuitous distribution by himself and all his Agents, an Almanac, called *Jayne's Family Almanac, and Guide to Health*. The calculations for this Almanac are made with great accuracy and care, for five different Latitudes and Longitudes, so as to render them equally useful, as a Calendar, in every part of the United States and British Provinces. They are also printed on good paper, and with handsome new type. This Almanac contains a large amount of valuable information, suited to the wants of all, and of that kind, too, which cannot be found in books.

His *Catalogue of Diseases*, with remarks and directions for their removal, is really invaluable, and makes them welcome visitors in every house they enter. Every family should possess at least one of these Annuals. His Almanac for 1849 is now ready for distribution, of which he designs to publish at least *Two Millions*, and in that every family in the United States and British America, may be furnished with a copy, he hereby invites Merchants and Store-keepers to forward their orders for them as early as possible, and they shall be supplied gratuitously with as many copies as they deem necessary to supply their various customers. They are also invited, at the same time, to send a copy of their "Business Card," which will be printed and placed on the cover of the Almanacs sent them, also without charge.

They are also requested to give all necessary directions how the Almanacs should be forwarded to them, for they cannot be sent by mail unless the postage is first paid on them here.

Orders (post paid) directed to DR. D. JAYNE, Philadelphia, will meet with prompt attention.

Families can obtain these Almanacs gratis, of
A. JAYNES,
Pekin Tea Store, 70 Fourth st., Pittsburgh.

N. B.—The German Almanac will be ready for delivery in a few days. sep15

Is it the best Cough Medicine I ever Saw?
READ the following proof of the superiority of *Dr. Wistar's Oriental Cough Mixture*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under the direst pangs of a harassing cough and most distressing cold, which had, thus far, resisted the effects of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. *"Is it the best medicine I ever saw?"*

True copy. JOHN HINDS.

Sold by HAYS & BROCKWAY, Druggists, Commercial Row, Liberty street, near Canal.

NEW DAGUERREOTYPE ROOMS, *Burke's Building, Fourth street.*—Hogan & Antony, Daguerreotypists from the Eastern cities, would call the attention of the inhabitants of Pittsburgh, and the neighboring towns, to their Daguerreotype of citizens and others, at rooms in the third story of Burke's building, 4th st.
