DR. G. C. VAUGHN'S NEW FAMILIAR LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making over the world, and is fast to become the only medicine for family use, and is particularly recommended for Dropsy: all stages of the complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints this Mixture or no other article can relieve you; and the cures testified to will convince the most skeptical—(see pamphlet). Low Fever and Ague. To the Great West especially, and wherever these complaints prevail, this medicine is offered. No mineral agent, poisonous compound is a part of this mixture; it cures these diseases with certainty and celerity, and does not leave the system reduced by quinine, (see pamphlet). Piles, a complaint of painful character, is immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for any other disease originating from impure blood. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, and all affection of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. This invaluable remedy for the above complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruation, &c., never has been offered to the public, which would touch this kind of derangements. It may be relied upon as a sure and effective remedy; and, did we publish the names of the many females who have given us their permission to do so, would give a thousand proof of cures in this distressing class of complaints.—See pamphlet. All broken down, debilitated constitutions, from the effects of mercurial poison, will find the power of this article to act immediately, and the poisonous mineral eradicated from the system.

Eruptive Diseases will find the alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of many of the cures, which the limits of an advertisement will not permit to be named here; Agents give them away; they contain the general remedy, with their name and place of stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that in its use, no time is taken from business, and muscle are left to build upon, let the emaciated and lingering invalid stop on, and keep taking the medicine as long directed, and a cure will be the result. Another caution the public against a number of articles which come out under the name of "Vaughn's Vegetable Cure for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary: TOUCH THEM NOT. There are different compounds to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of ready made clothing could possibly be collected together under the control of one individual. But such things will be, as long as personal vanity, and industry is the main-spring of trade—

Without any intention of boasting, on my part, I will say at the same time, that if such need I am particularly composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade; if you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh assortable goods, I will not in figure attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement or disease in the Biliary, Digestive, Vascular, Respiratory, and Nervous Systems, such as constipation, inward piles, heartburn, loss of appetite, coated tongue, acidity of the stomach, swimming of the head, fullness or weight in the stomach, dimness of vision, pulpitation of the heart, Choking or suffocating sensations, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imaginings of evil, fever and dull pain in the head, pain and difficulty of breathing when lying upon the side, frightful dreams, eruptions, yellowness of the skin and eyes, deficiency of perspiration, &c. &c. can be effectually cured by DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.
