A word to Country Wholesale Purchasers in the trade, especially those who purpose going East, as they will be convinced by calling here, that they can save the expense of time and money spent in going East, as also their bills of Exchange, &c. as well also find Clothing more substantially made, and the style and fashion equally as much the mode, and more convenience of the different localities of the Western country.

I am constantly receiving accessions to my stock of Goods, and am always supplied with an extensive variety of all kinds of Gentlemen's Furnishing Goods, which I will sell at a small advance above cost. FOR THE LEFFER.—Who will be without a beautiful head of hair, when they can have one for only fifty cents? Twenty years' loss of hair and wonderful restoration!

BALTIMORE, July 12, 1847.

Dear Sir—The wonderful effects of Jones' Coral Hair Restorative has been fully demonstrated in the persons of several respectable citizens of the city, who, on account of your selling three shillings trial bottles, try it in behalf of your friend. One instance, which has attracted public attention, is the case of a gentleman who had little or no hair for twenty years; he had tried numerous preparations, but all to no purpose, until he tried your Restorative, which in a very short time produced a fine growth of hair, and restored his head to its former beauty. I am happy to say that the ingredients of which it is composed are known to be of the most innocent and salutary nature, and can be recommended with confidence. Yours, &c., &c.
