CLOTHING!

THE Proprietors of this far famed establishment would most respectfully call the attention of numerous customers and the public in general, to one of the largest, cheapest, and most fashionable stocks of Ready-made CLOTHING that has ever been exhibited by any one concern in this or any other city, East or West.

It will not embrace us to describe to the reader the various assortments of articles which we have to offer them, but will simply say to them, that if they only favor him with a call, I will lay before them *Two Hundred and Fifty* different styles of Coats, Pants and Vests, of the finest quality and style to the very lowest in price; and one of which they can select to suit the most fastidious taste, both in price and quality.

A priced catalogue of the numerous garments in the establishment, would occupy too much space in this advertisement, but compare them with the price attached to which will be the best test of their cheapness. The principles of trade are to serve the public well, and in order to do this we have confidence and energy enough to study their interest and convenience; these I am determined to act up to, and I look to an enlightened community for a liberal support.

A word to Country Wholesale Purchasers in the trade, merely to remind them that when they come to the city, I am convinced they can save the expense of time and money spent in going East, as also their bills of freight, etc., as I can sell them as low as they could buy them, and the style and cut much better adapted to the taste and convenience of the different localities of the Western country.

I am constantly receiving accessions to my stock of goods, so that I am always supplied with an extensive variety of all fabrics suitable for the season, and I invite the closest on the corner of Cherry alley and Water st. Central Hotel, formerly occupied by Clement Archer, and are prepared to wait on gentlemen at once, with ease, comfort, and politeness.

In connection with their saloons, they have fitted up an excellent shower bath, with a reservoir of rain water, to be used at all hours of the day.

They still continue to serve their customers also at their *Old Stand*, corner of the Diamond and Cedar st. feb12-tf
