On the night of the 10th of October, in Canal, Boat belonging to the Union Line, was dearnyed by fire, near Duncan's Island—occasioned, it is believed, by Lucifer Butches pucked in Dry Goods.

The undersigned deem it an act of justice to the Proprietors of that Line, Measre, Dutth, Hompheys & Co. Philadelphia, and Henry Graff & Co. Pittsburgt, without knowledge or solicitation on their part, to make known in this manner the prompt and satisfactory settlement by them of the full amount of our respective losses by that accident, ranging in smount foun three hundred to fifteen hundred dollars, and in the signegate its over twelve thousand dollars.

As far as possible they had some of the four duplicated and immediately forwarded, and where it was known that this could not be done, or was not desired by us, they have paid the amount in cash, or settled with the merchants in Philadelphia, without reference to us.

The cermin insurance of his Goods, while on the way, is always a matter of anxiety to the Merchant and this incost. We therefore with, without the least disparagement intended the other Lines, to give his public testions, of the satisfactory settlement of a heavy loss by the Union Line.
