Fresh Arrival of New Goods.
M'MILLEN & DOWNING'S
FASHIONABLE CLOTHING STORE,
No. 59 LIBERTY STREET, opposite 7th st. The Subscribers have just received their first stock of Fall and Winter Goods, and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. The sentiments of style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to inform my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on a common scale, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!
THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS.

Is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortment of articles which I now have to offer them; but will simply tell them that if they will favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest or quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main spring of trade.

Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing is the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 30 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.
