THE Spring and Summer stock that is now ready to be offered, is the old original

THREE BIG DOORS.

Is one of the largest and choicest in a selection that has ever been exhibited by any one concern in this or any other city in the Union. It will not undertake to describe to the reader the different assortments of articles which it now have to offer them; but will simply tell them that if they will favor us with a call, it will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade.—Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of dilliberating in matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable coats, and at the same time substantial garments to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they too have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in this trade: If you wish to save from at least 25 to 30 per cent, in your wholesale purchases, call, in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh sensonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

Liver Complaint, Bilious Fever, Fever and Ague. To the Great Western, especially, and wherever these complaints prevail, this medicine is offered. No mineral agent, no deleterious compound is to be found in its mixture; it acts upon the system with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most painful character, will certainly be relieved, or cured following by a few days use of this article. It is far beyond other preparation for this disease, or for any other disease originating in the liver. Fever and Ague. The Debility of the System, Weak Back, Weakness of the Kidneys, &c., are immediately relieved by the use of the same, is immediately relieved by a few days use of this invaluable article, and always the result of its use. See pamphlet. All broken down, debilitated constitutions, from the effects of mercury, will find the bracing power of this article an active friend to help and the poisonous mineral eradicated from the system.

Consumption. Behold the great alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all stages of this disease. CANCER! SCROFULA AND COTTE—Ample evidence has been adduced that the combination of medicine we have ever been so effectual in curing the worst of diseases, as DR. JAYNE'S ALTERATIVE. It has effected cures in cases of Cancer, not only of the breast, but other cases of that class, but has removed the blackest humors and diseases of the Skin, Swellings, Erysipelas, &c. This remedy purifies the circulating and fluid parts of the system wherever located. It purifies the blood and other fluids of the body, removes obstruction in the pores of the skin, and restores the whole to a healthy state. It also invigorates the digestive organs, which soon regain their natural strength and tone, and by the use of Dr. Jayne's Expectorant and Carminative Balsam, which is a powerful remedy for Coughs, Colds, Influenza, Whooping-cough, Bronchitis, Croup, Asthma, Consumption, and all diseases of the Throat and Lungs, and by the use of Dr. Jayne's Tonic Pills, which are a sovereign remedy for Liver Complaint, Dyspepsia, Jaundice, Dropsy, Fever and Ague, Fever and Ague, Rheumatism, Gout, Neuralgia, Female Irregularities, Piles, Costiveness, Worms, Scrofula, Consumption, Erysipelas, Scald Head, Croup, Inflammatory Sore Throat, Sores and Inflamed Eyes, Flushings, Ulcers, Fever Sores, and Inflammatory Rheumatism, which yields to its effects in a surprising manner. It has never yet failed, when used according to direction. Read the following:

MANCHESTER, Allegheny co., Pa., November 15, 1846.

This is to certify, that my wife, Margaret Driscol, was cured of a Rheumatic Complaint of seven years standing, by which she was so lame as to be obliged to use crutches, in one week after she was cured by using the American Oil, and could walk about as usual without her crutches. Witness my hand, this day and year above written. JONATHAN CHRIGHT.

The following is communicated by Mr. Wm. Nash, Mr. Jackson's agent for Steubenville, O.

A gentleman near Steubenville, who had not been able to put either of his feet to the ground for twelve years, in consequence of lameness, by the use of one bottle was enabled to walk two miles to a township election. It is likewise a sovereign remedy for

CONTRACTION OF THE MUSCLES AND TENDONS.

The following is communicated by Mr. Wm. Nash, Wheeling, West Virginia:

A lady residing in Steubenville, the finger of whose hand was so contracted as to deprive her of the use of it for upwards of two years, was entirely cured by the use of one bottle of the Oil, so that she now has the perfect use of her hand fully equal to the other which had never been affected. It has also been found to be a safe and invinci ble agent in the speedy and certain cure of

DEAFNESS,

in all cases not organically incurable.

A lady residing in Allegheny city was effectually cured of a severe case of deafness of years continuance, by the use of less than one bottle of the Oil, so that she said she heard better than she had ever done before.

A gentleman well known in Pittsburgh, was cured of deafness of nine years standing, by the use of a small quantity of the Oil. The names and residences of the lady and gentleman will be given to those who desire it, on the office of the advertiser.

His properties are highly developed in the certain and surprisingly speedy cure of all cases of

CHOLIC, CRAMP, AND SPASMS.

Several cases of Cramp Cholic have been effectually cured by one dose of the Oil, in the short space of half an hour, when the parties have been agonized with pain. Its cleansing properties have been remarkably manifested in the radical cure of

DISEASES OF THE SPINE.

A lady, the wife of a planter in Kentucky, was cured effectually of one of the worst cases of diseased Spine, which had confined her to her bed for a considerable time, in which she could not turn herself. It is also a remedy of unparalleled power for the cure of

INFLAMMATION OF THE KIDNEYS.

☞ Read the following:

PITTSBURGH, Dec. 18, 1845.

This is to certify that I was afflicted with great pain in the small of my back and kidneys, which affected me so much that I could not stand upright. By rubbing externally and using half a teaspoonful internally, night and morning, I was entirely cured. JOHN RIDDLE,
near Warren, Armstrong co., Pa.

A gentleman of Pittsburgh, afflicted with a violent inflammation of the kidneys—the pain of which caused him to faint—was completely cured, in three days, by the use of the American Oil.

The qualities of this

NATURE'S OWN REMEDY

is extremely penetrating and antiphlogistic, consequently is confidently recommended as a sovereign remedy wherever inflammation exists, either external or internal. Used immediately after a cut, bruise or wound, it will cure and prevent

GANGRENE AND MORTIFICATION.

It has, in addition, been found a salutary, pleasing and effective remedy, for those very unpleasant and inconvenient complaints,

GRAVEL AND URINARY COMPLAINTS.

☞ Price, 50 cents per bottle.

Caution—Be on Your Guard.

The surprising excellence and growing popularity of the American Oil, has induced many dishonest persons to palm upon the public, miserable imitations of this truly valuable medicine, for the purpose of deceiving the unwary, and defrauding the proprietors.

In order to be sure of obtaining the genuine, observe the following work:

1st. See that the name "Wm. Jackson, 89 Liberty st." is on the label of the wrapper.

2d. That each bottle is inclosed in a pamphlet containing full directions for use: and also containing the name and address of Wm. Jackson, General Agent for the proprietors; likewise, the name and address of the passengers, D. Hall & Co., Kentucky.

3d. Purchase only of the advertised Agents; and of those whom have a show bill, on which is printed the names of the Proprietors and General Agents—thus: D. Hall & Co., Proprietors, Kentucky. Wm. Wholesale and Retail.

LADIES are cautioned against using *Common Preparations* for the skin, which are now so very fashionable to the detriment of the skin, how soon, how sad, how shallow! Besides it is injurious, containing as they do, a large proportion of lead, which gives a temporary beautiful vegetable article which we call Jones' Spanish Lily, which is perfectly innocent, being divested of all deleterious qualities, and imparts a delicate, lovely, transparent whiteness to the skin, which is natural, healthy and durable. Ladies who use it are astonished at its effects, and will not be without it. Gentlemen will find it a most excellent article after shaving, as it allays all irritation, and leaves the skin soft and pliable. Sold wholesale and retail by W. Jackson, 89 Liberty st., Pittsburgh, Pa. Also, by Jones, the Agent, at the American Eagle, 85 Chatham st., New York. Also, by the following duly appointed Agents for Allegheny county:

Joyner's Family Medicines.

DR. S. COOK, Pikus, Ohio, writes, March, 1846: "I have used your *Vermifuge, Carminative Balsam, and Expectorant*, in my practice, for the last three years, and have been exceedingly well pleased with them, and ever, as yet, to my recollection, failed of realizing my fullest expectation in their curative properties. Your other medicines I cannot speak of from experience; but, judging from those I have used, I doubt not but that they claim, and are entitled to all the confidence reposed in them, by those who have used them. I was formerly very partial to Vermifuge, until I became acquainted with yours, which has my decided preference to any other now in use.

Respectfully, yours, &c., S. S. COOK, M. D.

"It is the best Cough Medicine I ever Saw."

DEAD is the following proof of the superiority of *Dr. Wistar's Balsam of Wild Cherry*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 16, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under the disadvantages of a harassing cough and most distressing cold, which had, this far, resisted the efforts of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. *"Such is the best medicine I ever saw."*

Yours, respectfully, JOHN HINDS.
