Clothing! Clothing!! Clothing!!!

The Great Fair, 2 Doors vs. The Diamond, Pittsburgh.

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to myriad customers and the public in general. The Proprietor of this far-famed and extensive establishment, after returning from the Eastern cities, at much trouble and expense, has completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style, and workmanship, unrivalled, with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the present scale I am afford to sell at much lower prices than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my previous stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, woman and child to call at the Three Big Doors.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC TINCTURE—TO MIXTURE.

THIS celebrated remedy is daily increasing its fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy in all stages of any complaint immediately relieved, no matter of how long standing. See pamphlet when you send for it.

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can answer you or any one else, as it is the only medicine that will effect a speedy and perfect cure. Read the pamphlet carefully—(see pamphlet)—Liver Complaint, Nervous Diseases, Fever and Ague. To the Great West especially, as a preventative against Fever and Ague this medicine is offered. No mineral agent, no deleterious substance in any of its ingredients; it cures these diseases with certainty and celerity, as it does not prostrate the system torpid. (See pamphlet.) Piles, accompliant of most every disease originating from a diseased liver, it cures follows by a few days use of this article. It is far superior to any other preparation for this disease, or for any other disease originating from a diseased liver. Dyspepsia, or Debility of the System, Weak Back, Weakness of the Kidneys, or inflammation of the same, is immediately relieved by it. Female irregularities, and suppression, is always the result of its use. It stands as a certain remedy for all such complaints, and also for derangements of the female frame, in all its infirmities, however long standing. No article has ever been offered, except this, which will meet with kind treatment and prompt attention. It may be relied upon as a sure and effective remedy in all cases. It is not permitted to do so, could give a thousand names as proof of cures in the most distressing class of complaints. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to act immediately; and the poison of one mineral eradicated from the system.

To Invalids—Ladies will find the alterative properties of this article truly wonderful, and of the most happy effect in the system. See pamphlet, for testimony of cures in all diseases. A single trial of an advertisement will not permit to be named here; Agents, Shenango, Pa., will contain 32 pages of certificates of high character; and a history of many cases, which, for years, no medicine, never appeared. It is one of the peculiar properties of this article, that it never fails to benefit in any case; and if it does not, and the directions are followed, the money will be refunded. Unexceptionable testimony can be given in any case. Every attention will be paid to promote their health and comfort.

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS.

The proprietor has every day evidence of the above diseases as not exaggerated, but in many cases falling short of the reality. These are a few of the symptoms of the above diseases, and the functions of the brain are impaired and deranged, sympathy and the connecting medium between mind and matter, it follows from the reciprocal action that both must be more or less implicated, and deranged simultaneously, disarrangements will also produce diseases of the SKIN, LUNGS, INTESTINES and KIDNEYS, as well as the brain.

The thousands who die with YELLOW FEVER, CHOLERA, or INFLUENZA, is owing to the same cause; and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the summer is the important season in the system of man, as upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in constituting the source and fountain of life, which is sunshine. No organ possesses such remarkable sympathies, such remarkable power in modifying every part of the system.

The rapid increase in treating diseases of the liver and stomach successfully with bitters, is a wonderful pathological knowledge of their functions, but the preparation of a compound that would act upon the disease and all the sympathetic affections. This point has been attained in these bitters, and they are ENTIRELY VEGETABLE, and will in every instance restore the system to its healthy condition, and give strength and vigor to the frame, at no time initiating the patient, and they are grateful to the most delicate stomach, and may be taken with safety at all times.

ALL CAN BE CURED.

WHO SEE THEM AS DIRECTED,

(IN WRITING OR PRINT) FOR FOWLE'S

The few months the preparation has been before the public, has from its infallible efficacy, elicited the eulogy of the press through the land, their objects being for the benefit of suffering humanity; its success has surpassed the most sanguine expectations, and from all sides similar syrup, mercury, aloes, quinine, acids, and all injurious ingredients, and especially adapted to the diseases of the variable climate of the United States and the West India Islands.

FOR FEMALE AND DELICATE CHILDREN,

are made strong by using it, as the fact is a family medicine, and can be administered with safety to a child one year old, the delicate female, or man of ninety.

The Philadelphia Democrat says:—This medicine has no extraordinary attendants; and that is the great demand. We can speak from experience, that it is an invaluable family remedy and wonderful cure."

The Daily Sun says:—"We believe it is one of the best medicines of the age—a friend having used it in his family with great satisfaction in the Jaundice and Liver Complaint."

The Spirit of the Times and Keystone says:—"Do our known for the purpose, know the many wonderful cures being cures that have been performed by Dr. Hoofland's celebrated German Bitters? If they do not, we recommend them to the German Medicine Store, 120 Arch street all who are afflicted with Liver Complaint; Jaundice, Dyspepsia or Nervous Debility; the Doctor has cured many of our citizens, and the first physicians have failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, as that which gives them greater claim upon our humble attention is, that they are entirely vegetable."

The Evening Bulletin says:—"The Celebrated German Bitters are an invaluable remedy for Jaundice, Dyspepsia, and all diseases of the stomach."

Neal's Gazette says:—"It is not often we notice the puffing of quack medicines advertised in our columns, because we are willing to speak from personal and experienced, and a good constitution fortunately makes us independent of all quackeries. A word, however, of Dr. Hoofland's German Bitters. We have known for a number of years, and have used them in our own family, and can recommend them as a valuable tonic, and as a most excellent article for fulfilling in every respect what is claimed for it by the advertisement."

The Daily News says:

"A Minister.—We speak knowingly of Dr. Hoofland's celebrated German Bitters, when we say they are a blessing of this age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an equal. As a tonic it is unrivalled. Many a weak stomach has been restored to health by the use of this pleasant medicine."

What stronger testimony can a medicine have? After a test of many years, and the experience of thousands, it is still steadily progressing in the confidence of the people. Where persons are so universally known as the proprietors of these bitters, and for sale in their own city, the fullest confidence is to be placed in the following:

Philadelphia, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several years under the distressing cough and most distressing cold, which had, thus far, resisted the effects of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. *'Tis the best medicine I ever saw.*

Yours truly, JOHN HINDS.
