DR. G. C. VAUGHN'S INCOMPARABLE HYPONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the medicine being found to be the best family physic, and is particularly recommended for Dropsy: all stages of this complaint immediately relieved; a master of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it is unrivalled. A single particle can relieve you; and the cures testified to will convince the most skeptical.—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague, &c. To the Great West especially, and wherever these complaints prevail, this medicine is offered. No mineral agent, or deleterious substance is used in the Hyponthriptic Mixture; it operates on these diseases with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most distressing nature, immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for the worst disease originating from impure blood. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, or Irritation of the same, is speedily relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and also for derangement of the female frame, Irregularities, Suppressions, painful insensations. No article has ever been offered, except this one, which combines all the qualifications of a family physic, and can be relied upon as a sure and effective remedy; and, if you feel permitted to do so, could give a thousand names as proof of its virtues, but will refer you to the pamphlet, see pamphlet. All broken down, debilitated constitutions, from the effect of Mercury, Sarsaparilla, &c., will find in the Hyponthriptic Mixture an antidote, and the poison of mercury eradicated from the system.

Eruptive Diseases will find the alterative properties of this article purify the blood, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here: Agents give them away; they contain 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine; never is or appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid more on, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which have appeared in the form of Sarsaparillas, Panaceas, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and conceived to gull the unwary. The proprietor now has reason to entertain the thought of curing such diseases as this article had done it. *A particular study of the pamphlet is necessary*, reader, to get at the case in each disease with this article, are glad to circulate gratuitously. Put up in 50 oz. bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 times more than the 50 cent bottles. This is the size to get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*order from reputable Agents accepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Offices devoted exclusively to the sale of this article—132 Nassau st., N. Y.; 295 Essex st., Salem, Mass.; and 86 Cedar st., Albany. Agents wanted, for advertisement, and to whom a liberal commission will be given.

☞ *Is the best Cough Medicine I ever Saw.*☜

READ the following proof of the superiority of *Dr. Wistar's Oriental Cough Mixture*, from a respectable citizen; who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY,—After laboring for several weeks under the disagreeable discomforts of a harassing cough and most distressing cold, which had, thus far, resisted the efforts of several of the "quibbles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. *It is the best medicine I ever saw.*

LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement or disease in the Biliary, Digestive, Vascular, Respiratory and Nervous Systems, such as constipation, inward piles, heartburn, loss of appetite, coated tongue, acidity of the stomach, swimming of the head, fullness or weight in the stomach, dizziness of vision palpitation of the heart, Choking or suffocating sensations, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imaginings of evil, fever and dull pain in the head, pain and difficulty of breathing when lying upon the side, frightful dreams, sore eructations, yellowness of the skin and eyes, a deficiency of perspiration, &c. &c. can be effectually cured by DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the country, as the cures in this city attest, in many cases after skilful physicians had failed.

Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged—as nerves are the connecting medium between mind and matter; it follows from the reciprocal action that both must be more or less affected and deranged simultaneously; derangement there will also produce disease of the SKIN, LUNGS, UTERUS and KIDNEYS, as well as the brain. The thousands who die with YELLOW FEVER, CHOLERA, or INFLUENZA, is owing to the same cause; and the majority of cases, of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of life, as upon it we depend for the success and all the advantages to be derived from the administration of interna] medicines, the functions are of the utmost importance to every one in constituting the source and foundation of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in producing or preventing disease.

Then, if the stomach is the great source of health, and stomach successfully has not been a want of pathological knowledge on the part of physicians, but the preparation of a compound that would act upon the disease and all the sympathetic affections. That point has been gained in these Bitters, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy costiveness, and give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.

WHO, WILL USE THEM AS DIRECTED,
(WITHIN THE POWER OF MEDICINE,)

The few months this preparation has been before the public, has, from its infallible efficacy, elicited the eulogy of the press through the land, their object being for the benefit of suffering humanity, and not pecuniary. It has surpassed all precedents, and, it is free from all alcoholic stimulant, syrup, mercury, alcoes, opium, acids, and all injurious ingredients, and especially adapted to the diseases of the variable climate of the United States, and the West India Islands.

WEEK AND DELICATE CHILDREN,

are made strong by using it—in fact it is a family medicine, and can be administered with safety to a child one year old, the delicate female, ora man of ninety.

The Philadelphia Democrat says:—"This medicine has an extraordinary virtue and efficacy, and is in great demand."—We can speak from experience, that it has produced many wonderful cures."

The Daily Sun says:—"We believe it is one of the best medicines of the age—a friend having used it in his own family with great satisfaction in the Jaundice and Liver Complaint."

The Times and Keystone says:—"Do our good citizens, who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters! If they do not, we recommend them to the German Medicine Store, 276 Race street, Philadelphia, where they can be had. Afflicted with Liver Complaint, Dyspepsia or Nervous Debility; the Doctor has cured many of our citizens, after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, as we believe it will confer a great claim upon our humble efforts, they are entirely vegetable.

The Evening Bulletin says:—"The Celebrated German Bitters are in the highest remedy for Jaundice, Dyspepsia, and nervous complaints."

Neal's Gazette says:—"It is not often we notice the extensive sale of medicines advertised in our columns, because we are unwilling to speak except from personal experience of the good or bad qualities of them; but there are certain preparations so much esteemed by those who are acquainted with their composition, that it is deemed a duty to recommend them to public notice. Among this class of medicines are Dr. Hoofland's German Bitters. This we know to be an article of the first character in every respect and is claimed for it by the advertiser."

The Daily News says:—"We speak knowingly of Dr. Hoofland's celebrated German Bitters when we say it is a valuable tonic and is decidedly beneficial in cases of debility, dyspepsia, and diseases of the biliary digestive and nervous systems; it is not, we think, an ardent—it is a VEGETABLE PREPARATION AND MADE W
