Clothing! Clothing!! Clothing!!!
The Three Big Doors!!! *The Whole World!!!*
150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this un-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market, and that is even beyond the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old universally known Three Big Doors one of the greatest attractions of the whole Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with pleasure I say that I have been able to do so, owing to the fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the same small profit, I can afford to sell at much less profit than others could possibly think of doing if they were subject to others could possibly think of doing if they were subject to others could possibly think of doing if they were subject to
