The Daily Morning Post.

PITTSBURGH, }
November 7th, 1848. }

☞ The Merchants' and Manufacturers' Bank has this day declared a dividend of four per cent. on the Capital Stock, out of the profits for the last six months.
nov9 W. H. DENNY, Cashier.

☞ A cough should never be neglected. It may appear trifling and unworthy the attention at first, but it will not remain stationary long: it may progress slowly at first, and its augmentation may so scarcely perceptible; yet, when it once seizes the lungs, all the other parts of the body will be sympathetically affected, and a confirmed Consumption and premature death will be the inevitable result. A little care would save many a life, and the timely use of a proper remedy might have arrested many a consumption. But many persons have an invincible repugnance to taking any medicine, and rather than use the means towards arresting a disease, simply because the remedy may not be a pleasant one, would suffer and languish for a long time, before they would resort to the aid of medicine.

Dr. A. Fahnestock & Co.'s Cough Balsam has a great advantage in this respect over many other Cough preparations, as its pleasant taste permits it to be used without inconvenience. But its value as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running a considerable length of time, yield almost immediately to its power.

☞ Spitting of Blood.—When the stream of life is encumbered with morbid humors, its volume or quantity is increased and the blood-vessels are filled to overflowing; hence a rupturing of those which terminate in the lungs, and spitting of blood, consumption, and other dreadful complaints. *Wright's Indian Vegetable Pills* are certain to put a stop to spitting of blood; because they expel from the circulation those corrupt humors which are the cause of the bursting of blood-vessels, and of every malady incident to man. From three to six of said Indian Vegetable Pills, taken at night, on going to bed, will in all cases give relief; and, if repeated a few times, will most assuredly restore the body to a state of sound health.

Beware of Counterfeits and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

Remember, also, that Messrs. Feuchtwanger & Co., of New York; Jas. S. Gilmore & Co., of Cincinnati; and J. B. Wilder & Co., of Louisville, are *not* agents for this medicine, and we cannot guarantee the genuineness of that offered by them for sale.

The genuine is for sale at Dr. Wright's Principal Office, 359 Race street, Philadelphia; and by JOHN THOMPSON, 150 Liberty street, Pittsburgh, Pa., who is sole agent for this city, by whom dealers can be supplied at the wholesale rate. dec11

☞ The columns of the Press throughout the country seem to be filled with notices of cures and specifics for all diseases flesh is heir to, that one scarcely knows what to do in case of disease, for fear that in using one medicine, another and dearer may be overlooked. But from the remarkable cures, high order and vast amount of testimony daily brought under our personal notice, of the extraordinary efficacy of Dr. Rogers' Liverwort and Tar, we are compelled to regard the evidence of our senses, and confidently state that for Coughs and Colds, and that hydra-headed monster, Consumption, we think this preparation a safe speedy and certain cure. At all events, we may say to our friends—try it.

☞ Last evening, there were eight feet water in the channel, and falling.

THE RIVER AND WEATHER.—Last evening there were 8 feet 9 inches water in the canal by the mark. On the falls there were but little upwards of 6 feet water over the rocks of the Indiana chute. During the previous 48 hours, the river had risen 5 inches. Friday night and Saturday morning the river receded six inches, but since then it rose quite fast.

The weather on Saturday, and also to-day, was cloudy, but cool, with slight falls of rain. Yesterday evening it turned quite cool.

We learn from the officers of the steamer General Worth, from Green river, that that river has risen 45 feet, and is as high as it was ever known to be.—The Gen. Worth came over the tops of the dams, except the Barren river dam. The Maj. Barbour was detained at Lock No. 1, unable to go either way.

At Nashville, on Saturday last, the 9th inst., the Cumberland was rising rapidly.

At Vincennes, on Friday, the Wabash was rising rapidly. "There had been much rain and snow during the week.—*Louisville Courier, Dec.* 11.

SNAGGED.—The steamboat Hebolochitto, Captain Joseph Johnson, running between this city and Springfield, Mississippi, during a heavy gale on Saturday night, struck a snag, when about thirty miles from the latter place, and sunk in eight feet water. The boat and cargo will probably prove a total loss. *(N. O. Picayune.*
