Gold's patent Galvanized Galvanic Battery.

FOR MEDICAL AND OTHER PURPOSES.—This is the only instrument of the kind that has ever been presented in this country or Europe for medical purposes, and is the only one ever known through by which the galvanic fluid can be conveyed to the human eye, the ear, the brain, or to any part of the body, either in a mild, powerful or imperial, in a definite, gentle scream, without shocks or pain—with perfect safety—and often with the happiest effects.

This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred. References will also be given to many highly respectable citizens, who have been cured, by means of this most valuable apparatus, of some of the most inveterate nervous disorders, which could not be relieved by any other known means.

Among various others, it has been proved to be admirably adapted for the cure of the following diseases, viz: Sick headache and other disorders of the brain. It is with this apparatus alone that the operator can convey the galvanic fluid with ease and safety to the eye, to restore sight, or cure amaurosis; to the ear, to restore hearing; to the tongue or other organs, to restore speech; and to the various parts of the body, for the cure of chronic rheumatism, asthma, neuralgia, or the doloureaux, paralysis, or palsy, gout, chorea or St. Vitus' dance, epilepsy, weakness from ill ruins, some diseases peculiar to females, contraction of the limbs, &c., &c., &c.

Rights for surrounding counties of Western Pa., and also rights for the use of instrument, may be purchased, and instruction given for the cure of diseases.

Full instructions will be given for the various chemical operations for the cure of various diseases, and the best manner of operating for the cure of each disease. Also, be fully explained to the purchaser, and a pamphlet published and given gratis, for these purposes, carefully prepared by the patentee. Enquire at

"BALTIMORE, July 17, 1847.

"Dear Sir—The wonderful effects of Jones' Coral Hair Restorative has been fully demonstrated in the case of several respectable ladies of this town, who, for years, were without hair, or even a shilling trial bottle, try it in that situation, in the case of a gentleman who had little or no hair for twenty years, has tried numerous preparations in vain, and ultimately had his head shaved and by my recommendation, he tried the Restorative, and after using it according to the directions for a short time, the young hair appeared, and he is now in the full enjoyment of a head of hair as any person in Baltimore.

"Yours, &c."

It causes eyebrows to grow, prevents the hair from falling off, cures dandruff, and the first application causes it to curl. It will give entire satisfaction, as our motto is—*Quick Sales and Small Profits!*
