Clothing! Clothing!! Clothing!!!

The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangement in my supply. His thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market vest of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which have made to meet the many calls in my line, it is with the case I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the same scale, I can afford to sell at much less profit than others could possibly think of doing if they wished to carry on contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

PASSENGER AND REMITTANCE Office.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not stow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy any of our passengers to *show* that they were detained forty-eight hours by us in Liverpool, whilst thousands of others were detained months until they could be sent in some *old craft*, at a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, *cost what it may*, and not act as was the case last season with other offices, who either performed not at all, or when it suited their convenience.
