This Cream, when once known, will supercede all other articles of the kind now in use. Where the hair, is dead harsh, thin, unhealthy, uor turning grey, a few applications will make the hair soft and dark, and give it a beautiful, lively appearance; and will also make it maintain its liveliness and healthy color, twice as long as all the preparations that are generally used. Where the hair is thin, or has fallen off, it may be restored by using this Cream. Every lady and gentleman who is in the habit of using oils on their hair should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like the other preparations, but will beautify it, and give perfect satisfaction in every inistance.

For testimony to its very superior qualities, see the following letter from the Rev. Mr. Caldwell to Mestra. Hendershout & Stretch, Naskville, general agents for the Southern States:

The Franklin Fire Insurance Company stomach, dimness of vision palpitation of the heart.
Choking or suffocating sensating, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imaginings of evil, fever and dulipain in the head, pain and difficulty of breathing when lying upon the side, frightful dreams, sour-cruciations, yellowness of the skin and eyes, deficiency of perspiration, &c., &c. can be effectually cured by DOCTOR HOOFLAND'S
CELEBRATED GERMAN BITTERS.
Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skifful physicians had falled.
Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid dation of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as increasare the connecting medium between mind and matter, it follows from the reciprocal action that both must be more or less implicated and deranged as implicated and deranged; as the visit of the more or less implicated and deranged as multaneously; derangement there will also produce disease of the SKIN, LUNGS, UTERUS and KIDNEYS, as well as the brain. The thousands who die with YELLOW FEVER. CHOLERA or INFLUENZA, is owing to the same cause; and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of matter, as upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the unions importance to every one in constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system.

The lare success in treating disease of the liver and stomach success in treating disease of the liver and stomach success in treating disease of the liver and stomach suc ng line.
