The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Goods ever sung that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

DR. G. C VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is now in universal fame by the making all over the world. It has now become the only effective remedy for family use, and is particularly recommended for Dropsy, but all stages of dire complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can compare with it, and the cures testified to will convince the most skeptical;—(see pamphlet.) For Rheumatism, Bilious Diseases, Fever and Ague, To the Great West especially, all will be relieved as the complaints prevail, compound is a part of this mixture; it cures these diseases with certainty and speedy relief, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of most distressing complaints it immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for any kind of dysenteric affection, no impure blood. (See pamphlet.) Debility of the System, Weak Back, Weak Nerves of the Kidneys, &c., or inflamation of the same, is immediately relieved in a few days use of this medicine, and a cure is always the result of its use. For all kinds as a certain remedy for such complaints, and also for derangements of the female function, Irregularities, Suppressions, painful menstruations. No article has ever been known more relief than will be felied upon as a sure and positive remedy; and, did we feel permitted to do so, could give a thousand certificates of cures in this distressing class of complaints.—See pamphlet. A few cases done, certificated constitutions, from the effect of mercury, will find in this article a powerful antidote, and restorative, and from all impure and mis mineral eradicated from the system.

Scrupulous Diseases will find the alterative properties of this article a very extraordinary agent, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here. Numerous cures given away; they contain 32 pages of certificates of high character; and a large array of proof of the virtues of a medicine, new it or appeared. It is one of the most peculiar features of this article, that it never fails to benefit in any case, and if bone lingering invalid HOPE ON, and keep taking the medicine as long as there is an improvement at. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLAS, STRUPS, &c., as curses for Dropsy, Gravel, *&c.* They are good for nothing, and conceived to gull the unwary: TOUCH THEM NOT. Their inventors never thought of curing such diseases till this article had done it. *A particular study of the pamphlet is earnestly solicited.*

Agents, and all who sell the article, are glad to circulate gratuitously. Sold Price in 50 oz. bottles at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two smaller bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

Agents wanted in every town throughout the country, from regularly authorized Agents, except. Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

We say this fearlessly, as we defy any of our passengers to *show* that they were detained forty-eight hours by us in Liverpool, whilst thousands of others were detained months until they could be sent in some *old craft*, at a cheap rate, which, too frequently proved their coffins.

"It is the best Cough Medicine I ever Saw."

READ the following *proof* of the superiority of *Dr. Wistar's Oriental Cough Mixture*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under the disagreeable effects of a harassing cough and most distressing cold, which had, thus far, resisted the effects of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. "*It is the best medicine I ever saw.*"

True copy. JOHN HINDS.

Sold by HAYS & BROCKWAY, Druggists, Commercial Row, Liberty street, near Canal.

Drugs and Medicines.

LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement or disease in the Biliary, Digestive, Vascular, Respiratory, and Nervous Systems, such as constipation, inward piles, heartburn, loss of appetite, coated tongue, acidity of the stomach, swimming of the head, fullness or weight in the stomach, dimness of vision, palpitation of the heart, Choking or suffocating sensations, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imaginings of evil, fever and dull pain in the head, puff and difficulty of breathing when lying upon the side, frightful dreams, sour eructations, yellowness of the skin and eyes, deficiency of perspiration, &c. &c. can be effectually cured by DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.

Their powers over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures in this city attest, to many cases after skilful physicians had failed.

Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as nerves are the connecting medium between mind and matter, it follows from the reciprocal action that both must be derangement there will also produce disease of the SKIN. The inhabitants who die with YELLOW FEVER, CHOLERA or INFLUENZA, is owing to the same cause; and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In a manner, as upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system.

The rare success in treating disease of the liver and stomach successfully has not been a want of pathological knowledge or their functions, but the preparation of a compound that would act upon the disease and all the these Bitters, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy costiveness, and give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.

ALL CAN BE CURED.

WHO WILL USE THEM AS DIRECTED,

(IF WITHIN THE POWER OF MEDICINE.)

The few months this preparation has been before the public, has, from its infallible efficacy, elicited the eulogy of the press throughout the land, their object being for the benefit of suffering humanity; its success as a remedy is highly appreciated, and it is free from all alcoholic stimulant. syrup, mercury, aloes, quinine, acids, or anything of injurious ingredients, and especially adapted to the diseases of the climate in the United States, and the West Indies.

WEEK AND DELICATE CHILDREN,

are made healthy by using it—in fact it is a family medicine, and can be administered with safety to a child one year old, the delicate female, or a man of ninety.

The Philadelphia Democrats says:—"This medicine has an extraordinary virtue and efficacy, and is in great demand. We can speak from experience, that it has produced many wonderful cures."

The Daily Sun says:—"We believe it is one of the best medicines of the age—a friend having used it in his own family with great satisfaction in the Jaundice and Liver Complaint."

The Sunday Times and Keystone says:—"Do our good citizens, who are invalids, know that many astonishing cures that have been performed by Dr. Hoofland's German Bitters? If they do not, we recommend them to the German Medicine Store, No. 120 Race street all who are afflicted with Liver Complaint, Jaundice, Dyspepsia or Nervous Debility; the Doctor has also failed." We have used them, and they have proven to be a medicine that every one should know of, and we believe that which gives them greater claim upon our humble efforts, they are entirely vegetable.

The Evening Bulletin says:—"The Celebrated German Bitters are an invaluable remedy for Jaundice, Dyspepsia, and nervous complaints."

Neal's Gazette says:—"It is not often we notice the various excellent medicines advertised in our columns, because we are unwilling to speak except from personal experience, and a good constitution fortunately makes us generally strangers to such articles. A word, however, of Dr. Hoofland
