Thousands of children, and many persons of mature age; are dying weekly, because they overlook the only medicine which is infallible in diseases of that kind. That medicine is Clickener's Sugar-coated Vegenille Purgative Pills, which have been successful in cases of the greatest obstinacy, and where all other remedies have proved unavailing. Physicians of the highest eminence have prescribed them int their practice, and they have been highly recommended by a committee of the American Institute, appointed to investigate their merits. Let those who have never used them consent to make a single trial, and they will never have cause to reget their determination. In case of failure, it such a thing is possible, the money will in all cause be returned.
