Thousands of children, and many persons of ma-ture age, are dying weekly because they overlook the only medicine which is infullible in diseases of that kind. That medicine is Clickener's Sugar-coated Vegetable Purgative Pills, which have been successful in cases of the greatest obstinacy, and where all other remedies have proved anavalling. Physicians of the highest emi-netice have prescribed them in their practice, and they have been highly recommended by a committee of the American Institute, appointed to investigate their merits.
