Dealers in Exchange Coin and Bank Notes, Bankers and Dealers in Exchange Co No. 55 Market street, Pittsburgh. SELLING BATE. EXCHANGE. Daily Review of the Markets. A cough should never be neglected. It may at near trifling and unworthy the attention at first, but III A cough should never be neglected. It may appear trifling and unworthy the attention at first, but it will not remain stationary long; it may progress slow a first, and its augmentation may oe scarcely percecibble; yet when it once seizes the lungs, all the other parts of the body will be sympathetically affected, and a confirmed Consumption and promature death will be the ineviable result. A little care would save many a life, and he timely use of a proper, remedy might have, arrested many; a consumption. But many, persons have an invincible repugnance to taking any medicine, and rather than use the means towards arresting a disease, simply because the remedy may not be a pleasant one, would suffer and languish for a long time, before they would, resort to the aid of medicine.

B. A. Fahnestock & Co's Cough Balsam has a great advantage in this respect over many other Cough preparations, as us pleasant taste permits it to be used without inconvenience. But its values as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of, time, yield almost immediately to its power.
