N. HOLLWES & SON The cough should never be neglected. It may apart triling and unworthy the attention at first, but it linot remain stationary long: it may progress slow at it and its augmentation may or scarcely percentible; when it once seizes the lungs, all the other parts of body will be sympathetically affected, and a confirm Consumption and premature death will be the inevile result. A little care would save many a life, and timely use of a proper remedy might have arrested my a consumption. But many persons have an invinile repugnance to taking any medicine, and rather a use the means towards arresting a disease, simply ause the remedy may not the a pleasant one, would rend an august fer a long time, before they would rett to the aid of medicine.

A. Fahnestock & Co.'s Cough Balsam hard great rantage in this respect over many other Cough preparous, as its pleasant taste permits it to be used without onvenience. But it ayales as Balsam consists in the ediness of its cure. We have known some of the sit despreate coughs, some of which had been running for a considerable length of time, yield almost immerially to its power.

DR. CLICKENER'S SUGAR COATED VEGETABURE EXTRACT PILLS.—These celebrated Pills as a curative for Giddiness, Dyspepsia, Sour Stomach, Headache, Fevers, Piles, Costweness, Coughs, Heart burn, Liver Complaint, Scurvy, Sore Throat, Inward Weakness, Pulpitation of the Heart, Indigestion, and a variety of other diseases to which flesh is heir to, as a medicine for the million. In all seasons of the year, spring, summer, autumn, and winter,—and under all circumstances, they can be taken with perfect safety and success. As a Vermilinge and general medicine for chill-deep, they are unwiralted. Being coated with pure white suffar, children will easily take them; they neither gripe nor nauseate; are gentle, but thorough in their operation. For adults, by increasing the dose, they are equally ben efficial. As an Anti-Bilious Pill they will be found without superior. Ask any one, among the thousands who use them, and an unqualitied approval will be the certain result.

Remember Dr. C. V. Clickener is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take noothers; or they will be made the victims of a fraud.
