an a statement of the statement

ID: Worms cannot exist in the system, if a liberal use be made of the Clickener Sugar-coated Vegetable Purgative Fills. They not only destroy the worms, but thoroughly cleanse the stomach and bowels of the ma-cus or slimy substance which supports them. Their operation is so gentle, that they may be administered to children of the most tender age, without producing those injurious effects upon the general health, which have always constituted the most serious objection to Vermifages. Their metallic base is generally so violent in its operation, that the system seldom recovers from the shock until the patient has arrived at years of ma-turity or actually outgrown it. We know several at this moment whose, constitutional vigor has been so com-pletely, paralysed by the injudicious administration of metallic Vermifages while young, that they are almosts totally unfitted for the transcention of ordinary business. The Clickener Sugar-conted Vegetable Fills, on the con-trary, have never been known to leave any ingrinous ef-fects behind them. They rather serve to invigorate the system and render it proof against the most inveterate aliments Steamboat Packet Line, leavesdaily for Cincinnati, 10 A.M. IT REMARKABLE CURE OF CONSUMPTION .- Mr. Se ID REMARKAME CORE OF CONSUMPTON.—Mr. Scovill: I was taken with a most distressing cough, and my longs became so diseased that I bled in a short time several quarts. I was reduced so low that all of my friends, and even my Physicians; thooght I must die with Consump-tion! My brother hearing of the remarkable cures made by Dr. Rogers? Livetwort and Tar, procured a bottle, and before I had taken one-half of it, it seemed to go to the very seat of the disease. I raised a large quality of phlegm and matter, and my cough was stopped as by a charm; and hy its use I was restored to perfect health-Sworn and subscribed this 20th day of November, 1847. IJ→ Couvremperrs! Couvrements -- Beware of Coun-terfetts !-- Cluzens of Pitteburg, counterfeiters of Whistr's celebrated Istuan VEGETARLS Phils are still abroad, and of the worst conceivable kind. We would respectfully invite you to call on the Agent for Pittsburg, Mr. JOHN THOMPSON, 155 Liberty street, and examine a box that was purchased at a Drug Store in this city. It is ab-solutely enough to make one bush for poor, frail human-ty, but at the same time to guard all against the villainy of the conterfetiere. The passing of counterfeit coin is not a tonch to it. It is as much inferior in the degree of criminality, as petty larceny is inferior to downight murder. for an extra brand.
