'oad's patent graduated galvanic Battery AND PATENT INSULATED POLES,
FOR MEDICAL AND OTHER PURPOSES.—This is the only instrument of the kind that has ever been presented in this country or Europe for medical purposes, and is the only one ever known to man, by which the galvanic fluid can be conveyed to the human eye, the ear, the brain, or to any part of the body, either externally or internally, in a definite, gentle stream, without shocks or pain—with perfect safety—and often with the happiest effects.
This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred. Reference will also be given to many highly respectable citizens, who have been cured, by means of this most valuable apparatus, of some of the most inveterate nervous disorders, which could not be removed by any other known means.
Among vorious others, it has been proved to be admirably adapted for the cure of the following diseases, viz: nervous headache and other disorders of the brain. READ THIS LETTER.—Who will be without a beautiful head of hair, when they can have one for three shillings? Twenty years' loss of hair and complete restoration!
"BALTIMORE, July 17, 1847.
"Dear Sir—The wonderful effects of Jones' Coral Hair Restorative has been decisively demonstrated in the case of several respectable citizens of the town, who, on account of your selling three shilling trial bottles, try it without fear. One instance, which has attracted particular attention, is the case of a gentleman who had little or no hair for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved to wear a wig. At my recommendation, he tried the Restorative, and after using it, according to the direction, for a short time, the young hair appeared, and he has now as fine a head of hair as any person in Baltimore.
"Yours, &c. JOHN KILVINGTON."
It causes eyebrows to grow, prevents the hair from turning grey, and the first application causes it to curl beautifully, frees it from scurf, and stops it from falling off.

Colver's Patent Concave Beater Churn!
BUTTER IN FIVE MINUTES!!
WE call the attention of the public to the article heading this advertisement, and invite the enterprising and curious to call and witness its operation. All advertisements in relation to this invention, to the hundreds who have seen it tested, is supererogation.
1st. This Churn will produce Butter, gathering it in a mass, from sweet milk, in five to ten minutes! and from cream prepared, as families usually prepare it, in three to five minutes!
2d. The utility of this invention is apparent, as better Butter can be produced from sweet milk, or cream, than cream soured in the usual way; and by means of this Churn, a little girl or boy can perform, in five or ten minutes, what has heretofore required the labor of a woman or man for one or two hours, and sometimes half a day.
3d. By simply turning a thumb screw, the whole inside dasher is taken out, leaving nothing but the Butter and milk in the plain wooden box.
4th. It is the cheapest Churn ever invented, as the simplicity of its construction (though embodying a great philosophical principle) makes it but little to manufacture it.
5th. It is a common-sense Churn, as all will admit who will examine it.
☞ We have purchased the monopoly of this valuable improvement from Messrs. Colver & Myers, the patentees. We are now offering the complete monopoly of this styled article for the States of Ohio, Pennsylvania, New York, New Jersey, Maryland and Delaware, which will insure certain and large profits to the manufacturer and a speedy return of investment. The public are invited to call and witness its operation, at our office, in Pittsburgh, every day, at 4 o'clock, P. M.

Card.
ON the night of the 10th of October, a Canal Boat belonging to the Union Line, was destroyed by fire, near Duncan's Island—occasioned, it is believed, by Lucifer matches packed in Dry Goods.
The undersigned deem it an act of justice to the Proprietors of that Line, Messrs. Dutilh, Humphreys & Co., Philadelphia, and Henry Graff & Co., Pittsburgh, without knowledge or solicitation on their part, to make known in this manner the prompt and satisfactory settlement by them of the full amount of our respective losses by that accident, ranging in amount from three hundred to fifteen hundred dollars, and in the aggregate to over twelve thousand dollars.
As far as possible they had some of the lots duplicated and immediately forwarded, and where it was known that this could not be done, or was not desired by us, they have paid the amount in cash, or settled with the merchants in Philadelphia, without reference to us.
The certain insurance of his Goods, while on the way, is always a matter of anxiety to the Merchant, and that, if destroyed, he shall be instantly paid the amount of his loss. We therefore wish, without the least disparagement intended the other Lines, to give this public testimony of the satisfactory settlement of a heavy loss by the Union Line.

From Rev. Asa Shinn, of the Protestant Methodist Church.
THE undersigned, having been afflicted during the past winter, with a disease in the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of *Dr. D. Jaynes' Carminative Balsam.* This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes; and in fifteen or twenty minutes, every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening, and sometimes in the morning; and in a few weeks health was so far restored that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently *recommend* Dr. D. Jaynes' Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A. SHINN.

HAVE you a bad complexion, coarse, dark, yellow, or sallow? If you have, you will by using a Cake of Jones' Italian Chemical Soap, a week or two, your skin becomes clear, white and smooth. If you have any disease of the Head, Face or Beard—such as Ringworm, Scald Head, Scurvy, Erysipelas, Salt Rheum, Barber's Itch—you can be cured: for I have seen persons who had filthy skin diseases for years, and after trying every thing in vain, have been cured by washing the part with Jones' Italian Chemical Soap, and can conscientiously offer it for any of the above complaints, which I would not do, unless I knew it to be all I state. If you have Sun Spots, Freckles, Morphew, Tan, Sun Burn or disfigurements of any kind, it will dispel them and make the skin beautiful—it is a sure antidote and cure for the bites of musquitoes, bugs, &c.
☞ Beware of counterfeits. Particularly cheap ones—ask for Jones' Soap, and see that the name of T. Jones is on each cake. Persons from or in the south and other warm climates, would find this not only for themselves; but it is a never-failing remedy for chaps and chafes in infants. And now, reader, by giving this one trial, you will find it all or even more than we have stated above.
