They not only desify the worms, but proughly eleanae the stomach and bowels of the must or slimy substance which supports them. Their eration is so gentle, that they may be administered to Idlera of the most tender age, without producing pase injurious effects upon the general health, which we always constituted the most serious objection to rmifuges. Their metallic boase is generally so violent its operation, that the system seldom recovers from shock until the patient has arrived at years of marity or actually outgrown it. ST North Moore street. New York, June 19, 1847.

ITT CAUTION.—Balley's only Depot in the oty of New York, and where the genuine article can be obtained, wholesale and retail, is at 415 Broadway.

H. Dalley's the inventor of this truly invaluable compound, and he never has, and never will communicate the secret of its preparation to any man living; and, therefore, no other person ever has made, or ever can make, a grain of it himself.

Counterfeits abound! Every truly valuable article is subject to be depredated upon by counterfeiters and impasters; and nothing, that we know of, has more extensively experienced that fact than Dalley's Magical Pain Extractor!

A TEST—The genuine Dalley, in cases of the severest Burns, Scalds, Piles, &c., will afford instant relief, and produce at once a cooling and soothing effect—extracting pain in and from one to fifteen minutes! but be sure, always, apply it on linen—never on cotton cloth.

And now mark the difference!—Counterfeit Extractors, no matter under what name they may appear, or how applied, always irritate and increase the pain!

DRY GOODS NOTICE.

A. A. MASON & CO.,

No. 60 Market street, Pittsburgh, Pa.,

DEG leave most respectfully to announce to their numerous patrons and the public that they, in consequence of contemplating a change in their business, propose opening the whole of their extensive Warchouse, including all their Wholesale Rooms.) for retailing, and will continue open until the first of February, commencing on New Year's Duy, 1849. Our whole stocky comprising one of the inost extensive and varied assortiments of FANCY AND STAPLE DRY GOODS ever exhibited in the Western country, will be offered at lower prices than ever before known. Upwards of fifty thousand dol lars of our stock has been recently purchased, the great erportion of which are foreign Goods, received at New York by late European arrivals, which, from the lateness of the season, as well as the well known pressure in the public sales, at rates varying from twenty-five to fifty per cent. less than similar goods brought the first of the season. We therefore confidently believe that our prices for the time above mentioned will be found to be even lower than any Eastern wholesale rates.

We anxiously invite all persons to visit our establishment, whether they purchase or not, and test the truth of the above—assuring them that they will incur no obligation thereby, but confera favor upon the proprietors—Our assortment of SLIKS, SHAVLS, and FINE DRESS GOODS will amply repay one for a visit; added to which our great display of DOMESTIG GOODS will, we hope. I bale Blue Blanket Coating.

Received, on consignment, direct from the manufacturers, and for sale by the nackage or piece.
