Wright's Indian Vegetable Fills are a most delightful inedictine for carrying off a cold, because they expelied from the system all morbid and corrupt humors (the ause of every kind of disease) in an easy and natural humor. Far or five of Wright's Indian Vegetable Fills, taken every night on going to bed, will in a short time remove the most obstinate cold—at the same time she digestive organs will be restored to a healthy tone, and the blood completely purified.

Bewareof Counterfeits and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Fills have the written signature of William Wander on the op label of each box.

Remember, also, that Messrs. Feuchtwanger & Co. of New York, Jas. S. Glascoe & Co., at Cincinnati; and J. B. Wilder & Co., of Louisville, are nor agents for this medicine, and we cannot guarantee the genuineness of hat offered by them for sale.

The Worms cannot exist in the system, if a liberal
ase be made of the Clickener Sugar-coated Vegefable
gragative Fills. They not only destroy the worms, but
horoughly cleanse the stomach and bowels of the musus of slimy substance which supports them. Their
bearation is so gentle, that they may be administered to
hildren of the most tender age, without producing
hose injurious effects upon the general health, which
ave always constituted the most serious objection to
yermifuges. Their mutallic base is generally so violent
in its operation, that the system seldom recovers from
the shock until the patient has arrived at years of madurity or actually outgrown it. We know several at this
moment whose constitutional vigor has been so comsletch paralysed by the injudicious administration of
metallic Vermifuges while young, that they are almost
soully unfitted for the transaction of ordinary business,
the Clickener Sugar-coated Vegetable Pills, on the confary, have never been known to leave any injurious efsects behind them. They rather serve to invigorate the
yearn, and render it proof against the most inveterate
