ILP A CHARM COLD AND COUNT—It should be remembered that a cough is an evidence that none impurity is lodged in the lungs, which, if not speedily removed, will so irthate these delicate orgains as sooner or later to bring on inflammation of the lungs—a form of disease which we all know is the high road to consumption.

Bright's lustica Vegrable Pilis are a most delightful medicine for currying off a cold, because they expoint most the system all morbid and corrupt humors (the cause of every kind of disease) in an easy and natural manner. Four or five of Wright's Indian Vegetable Pilis, taken every night on going to bed, will in a short time remove the most obstinate cold—at the same time the digestive organs will be restored to a healthy tone, and the blood completely purified.

If Worms cannot exist in the system, if a liberal use be made of the Clickener Sugar-coated Vegetable Purgative Pilis. They not only desirey the worms, but thoroughly cleanse the atomach and bowels of the mucas or slimy substance which supports them. Their operation is so gentle, that they may be administered to children of the most tender age, without producing those injurious effects upon the general health, which have always constituted the most serious objection to Vermitages. Their metallic base is generally so violent in its operation, that the system seldom recovers from the shock until the patient has arrived at years of maturity or actually outgrown it. We know several at his moment whose constitutional vigor has been so completely paralyses by the injudicious administration of metallic Vermitages while young, that they are almost totally unfitted for the transaction of ordinary business. The Clickener Sugar-coated Vegetable Pills, on the contrary, have never been known to leave any injurious effects behind them. They rather serve to unvigorate the system, and render it proof against the most inveterate aliments. Office-corner of Fourth street and Past Office alley,

DRY GOODS NOTICE.

A. A. MASON & CO.,

No. 60 Market street, Pittsburgh, Pa.,

DEG leave most respectfully to announce to their numerous patrons and the public that they, in cousequence of contemplating a change in their business propose opening the whole of their extensive Warchouse, (including all their Wholesale Rooms.) for retailing, and will continue open until the first of February, commencing on New Year's Day, 1849. Our whole stock non-pissing one of the most extensive and varied assortments of FANCY AND STAPLE DRY GOODS ever exhibited in the Western country, will be offered at lower prices than ever before known. Upwards of fifty thousand dol lars of our stock has been recently purchased, the great er portion of which are fereign Goods, received at New York by late European arrivals, which, from the lateness of the season, as well as the well known pressure in the money market, were sold at immense sacrifices at the public sales, at rates varying from twenty-faveto fifty percent. less than similar goods brought the first of the season. We therefore condiently believe thatour prices for the time above mentioned will be found to be even lower than any Eastern wholesale rates

We anxiously invite all persons to visit our establishment, whether they purchase or not, and test the truth of the above—assuring them that they will incur no obligation thereby, but confer a favor upon the proprietors—Our assortment of SILKS, SHAWLS, and FINE DRESS GOODS will amply repay one for a visit; added to which our great display of DOMESTIC GOODS will, we hope, induce all to call.
