IDT Cold feet are an evidence that the blood is encum-bered with morbid lumions, which not only render the circulation singgiah and unequal, but prevent a proper supply of the vital find to the extremities. Hence cold-ness of the hands and feet, accompanied with headache, giddiness, and many other unpleasant complaints. Wrights Indian Vregadde Pills are one of the best pre-ventives in the world against Cold Feet, because they not only cleanse the blood from those impurities which are the cause, but they impart an energy to the circula-tion, which carries with it vigor to every part of the sys-

IF COUNTERFRITS! COUNTERFEITS! -- Educate of Coun-trycits!--Chitzens of Pittsburg; counterfeiters of Warour's celebrated isonan Vacostants Pitts are stillabroad, and of the worst conceivrable kind. We would respectfully invite yon to call on the Agent-for Pittsburg, Mr. JOHN THOMPSON, 156 Liberty street, and examine a box that was purchased at a Drug Store in this city. It is ab-solutely enough to make one blush for poor, frail human-ty, but at the same time to guard all against the villainy of the counterfeiters. The passing of counterfeit coin is not a touch to it. It is as much inferior in the degree of eriminality, as petty larceny is inferior to dowright riminality, as petty larceny is inferior to downrigh

murder. Always remember that the Original and only Gonuine INDIAN VECETABLE PILLS have the written signa-ture of WILLIAM WRIGHT on the top label of box. Remember, also, that H.
