News by Telegraph The Daily Morning Post. ILP CLICKENSE'S SUGAR-COATED VEGSTABLE PILLS.—Al diseases have their origin in impurity of blood. How ever excellent the general health, there is no security against fever, where the blood is impure, as indicated by eruptions of the akin, vertigo, headnache, lassitude, &c.—The best purifier of the blood is Clickener's Sugar-coated Pill, which is so skilfully compounded, that it does not cause griping, the great objection to all pills. The envelope of sugar prevents all nauses, so that, save from the powerful, yet easy operation, the patient would hardly be aware that he had taken any medicine at all. So well convinced is Dr. Clickener of his pills in all specified cases, that he is pledged to return the money, when the promised effect is not produced.

New England No. 2, Dean, Cincin Dimerous patrons and the public that they, in consequence of contemplating a change in their business, propose opening the whole of their extensive Warehouse, including all their Wholesale Rooms, for retailing, and will continue open until the first of February, commencing on New Year's Day, 1849. Our whole stock, comprising one of the most extensive and varied assortments of FANCY AND STAPLE DRY GOODS ever exhibited in the Western country, will be offered at lower prices than ever before known. Upwards of fifty thousand dollars of our stock has been recently purchased, the great er portion of which are foreign Goods, received at New York by late European arrivals, which, from the lateness of the season, as well as the well known pressure in the money market, were sold at immense sacrifices at the public sales, at rates varying from twenty-five to fifty per sizes.

This property, for beauty of location, commanding a view of the two cities, the Allegheny, Monongahela and Ohio rivers, is unequalied. It has the advantage of an abundance of the choicest spring water. The new road, now finishing, will render it easy of access, and bring it within a convenient distance of the Allegheny market. As an investment for profit, to say nothing of the designiful situation for a residence, the buyer will secure in a few years a timese-roll return.

The above Lots will be sold for Cash, or on a Credit of one to five years. SENATE. Sundry petitions and memorials we t the lowest rates. which were road and referred. DORFH H. HILL & CURRY,

BANKERS AND EXCHANGE BROKERS, The Prize Fight between Sullivan and anle rate.

[E03]
[CONTENTITE! CONTENTET: Betour of Counterfeits. Citizens of Pittsburg; counterfeiters of Windit's celebrated Indian Veotrable Pitts are still abroad, and of the worst conceivable kind. We would respectfully invite you to call on the Agent for Pittsburg, Mr. JOHN THOMPSON, 156 Liberty street, and examine a box that was purchased at a Drug Store in this city. It is absolutely enough to make one blush for poor, frail humanity, but at the same time to guard all against the villainy of the counterfeiter. The passing of counterfeit coin is not a touch to it. It is as much inferior in the degree of criminality, as petty larceny is inferior to downright murder.

Always remember that the Original and only Genuing. The business of yesterday was scarcely worth no BANKERS AND EXCHANGE BROKERS,

Gold Washers.

Gold Washers.

FARRY, has invented a machine for washing Gold, feir which he has made application for a patent.

They are now offered for sale at the Warehouse of PARRY, SCOTT & Co., No. 100 Wood st., Pittsburgh.

Adventurers to California are invited to call and examine these labor-saving machines. They are simple in their construction, easily transported on the back of mules or horses, weighing eighty pounts each, and can be put in oppretion in half an hour. They can be filled with provisions. It is the opinion of those who have seen the trial of other of these machines of smallest size, that two men' will wash the mineral from 150 bushels of sand or earth in a day without the loss of a particle of the mineral. They can be increased in size and worked by water or mule power, if expedient. The operators work without going into the water of being exposed to water or mule power, if expedient. The operators work without going into the water of being exposed to water or wee, and consequently without endangering their shith. They will require but a small stream of water, and can be used the whole seasoh, and can be put into operation where there is not sufficient water to wash in the usual way.

Price of smallest size 835. Orders from abroad, accompanied by cash, will be promptly filled. Robert Williams, Athureville.
