A. A. MASON & CO.,

No. 60 Market street, Pittsburgh, Pa., II CLICKENE'S SOGRE-COATED VENTABLE PILLS—All diseases have their origin in impurity of blood. How ever excellent the general health, there is no security against fever, where the blood is impure, as indicated by cruptions of the skin, vertigo, hendache, leastitude, &c.—
The best purifier of the blood is Clickener's Sugar-coated Pill, which is so skindly compounded, that it does not cause griping, the great objection to all pills. The envelope of sugar provents all nanses, so that, save from the powerful, yet easy operation, the patient would hardly be aware that he had taken any medicine at all. So well convinced is Dr. Clickener of his pills in all specified cases, that he is pledged is return the money, when the promised effect is not produced.
