CLICKENER'S SUBAR-COATED YEOGTABLE PURGATIVE PULT TO STATE OF COMPLIAINT, Affection of the Lungs, Palpitation of the Aeart, Golie, Jaundice, and Worms, the Sugar-Goated Pill of Dr. Clickener is an infallible remedy. Thousands of certificates of the wonderful cures in the above complaints, through the agency of these Pills, may be seen at Dr. Clickener's office. The Pill is encrusted with sugar, so that the ingredients are not apparent to the taste. So skilfally is it compounded that the patient is not subject to the distressing gripings, which follow the use of almost all other medicines. Indeed, but for the thorough purging produced by the Pill, the patient would be ignorant of its invaluable medicinal properties. In all classe where the desired effect is not produced, if the Pills he taken according to the printed direction; the money will be returned.

RON FOUNDRY FOR SALE.—A small Iron Foundry, with Patterns, Tools, &c., all ready for operation, will see sold on accommodating terms, or exchanged for iron or goods. ILF A cough should never be neglected. It may appear trifling and unworthy, the attention at first, but it will not remain stationary long: it may progress slow at first, and its sugmentation may so scarcely percectible yet, when it once seizes the langs, all the other parts of the body will be symputhetically affected, and a confirm; at Consumption and premature death will be the lipeviable result. A little care would save many a life, and he timely use of a proper remedy might have arrested many a consumption. But many persons have an invincible reprignance to taking any medicine, and rather than use the means towards arresting a disease, simply because the remedy may not be a pleasant one, would suffer and languish far a long time, before they would resort to the aid of medicine.

B. A. Fahnestock & Co.'s Cough Balsam has a great advantage in this respect over many other Cough preparations, as its pleasant tyre permits it to be used without inconvenience. But its value as d Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of time, yield almost immediately to its power. is worth 26627c from first hands. Dailey's Magical Pain Extractor.

TO THE PUBLIC.—This is to certify that I have found the Chronic Rheumatism, which I have been afflicted with for ten years, in my hip joints.

Acquackanack, N. Y. April 8, 138.

Mr. H. Dalley-Sir: I have been troubled with the Piles for cipat mouths, and could get no relief. Your Magical Pain Extractor having been recommended to me, I applied it but twice, obtained instant relief, and in a short time was perfectly cured! Could I not get any more of it, I would not take a hundred dollars for the balance of my bot.

YILLIAM HALL.

7 North Moore street, New York, June 19, 1847.

IJ. CAUTION.—Dalley's only Depot in the city of New wholesale and retail, is at 415 Broadway.

H. DALLEX is the inventor of this truly invaluable compound, and he never has, and never will commanicate the secret of its preparation to any man living; and, therefore, no other person ever has made, or ever can make. A grain of it himself.

Caunterfeits abound! Every truly valuable article is subject to be depredated upon by counterfeiters and im posters; and nothing, that we know of, has more extensively experienced that fact than Dalley's Magical Pain Extractor!

A Test—The genuine Dalley, in cases of the severest Burns, Scalds, Piles, &c., will afford instant relief, and produce at once a cooling and soothing effect—extracting pain in and from one to "ficen minutes! but be sure, always, apply it on lines—eaver on cotton cloth.

And now mark the difference."—Counterfeit Extractors on matter under what name they may appear, or how applied, always irritate and increase the pain!

Pamphlets, containing certificates of cures, may be had graits, on application to JOHN D. MORGAN.

Western Depot, Pittsburgh.

S. CUTHBERT, Gen. Agent, Smithfield street. ON THE PETITION OF JORDAN L. MOTT, of the city of New York, praying for the extension of patent granted to said Jordan L. Mott for an improvement in stoves, for seven years from the expiration of said patent, which takes place on the 21st of July, 1849:

It is ordered that the suid petition be heard at the Patent Office, on the 1st Monday in July next, at 12 o'clock, M.; and all persons are notified to appear and show cause, if any they have, why said petition ought not to be granted. THIS Independent Line of steamers is now composed of the largest, swiftest, best finished and furnished, and most powerful boats on the waters of the West. The proprietors challenge comparison with any passenger line in the Union for safety, regularity, and speed. All that money can procure has been provided for the safety, comfort and convenience of passengers. The boats leave for Cincinnati as follows: puested to can and inspect them, as I feel confident that one examination they will be found much lower than they have ever been offered in this City, as I intend to sell them wholsade and retail, at a very small profice, the Eastern Cost.
