HOUSE. personal enemies, have made this move, for what The House passed a Bill to establish a Territorial will continue open until the first \$\footnote{it}\$ (February, commencing on New Year's Day, 1849). Our whole stock, comprising one of the most extensive and varied assortments of FANCY AND STAPLE DRY GOODS ever exhibited in the Western country, will be offered at lower prices, than ever before known. Upwards of fifty thousand dolars of our stock has been recently purchased, the great er portion of which are foreign Goods, received at New York by late European arrivals, which, from the lateness of the season, as well as the well known pressure in the money market, were sold at immense sacrifices at the public selles, at rates varying from twenty-diveto fifty per cent, less than similar goods brought the first of the season. We therefore confidently believe that our prices for the ime above menitioned will be found to be even lower than any Eastern wholesale rates.

We anxiously invite all persons to visit our establishment, whether they purchase or not, and test the truth of the above—assuring them that they will inner no obligation thereby, but confer a favor upon the proprietors.—Our assoment of SILKS, SHAWLS, and FINE DRESS GOODS will umply repay one for a visit, added to which purpose we know not, nor do we care. Heat rarifies the blood, and increases the perspiration; but when suddenly checked, those humors which should pass off by the skin, are thrown off inwardly, causing coughs, coids, consumption, difficulty of breathing, watery and inflamed eyes, sore throat, and many other complaints.

Wright's indian Vegetable Pills are n d-lightful medicine for carrying off a cold—because they carry off from the body those humors which are the cause of the above complaints. Four or five of said indian Vegetable Pills, taken every night on going to bed, will, in a zew days, carry off the most obtainate cold; at the same time the digestive organs will be restored to a healthy tone, and new life and vigor will be given to the whole frame.

[ID CLICKENER'S SUGAR-COATED VEGETABLE PERGATIVE PILLS—For Liver Complaint, Affection of the Lungs, Palpitation of the Aeart, Colic, Jaundice, and Worms, the Sugar-coated Pill of Dr. Clickener is an infallible remedy. Thousands of certificates of the wonderful cures in the above complaints, through the agency of these Pills, may be seen at Dr. Clickener's office. The Pill is encrusted with sugar, so that the ingredients are not apparent to the taste. So skilfully is it compounded that the palicint is not subject to the distressing gripings which is follow the use of almost all other medicines. Indeed, but for the thorough purging produced by the Pill, the patient would be ignorant of its invaluable medicinal properties. In all cases where the desired effect is not produced, if the Pills be taken according to the printed direction, the money will be returned.
