ID<sup>-</sup> Consumption is a disease which is carrying its victims to the tombs by housands, without being arrest-ed in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come-as to successfully arrest this disease. Dr. Rogers Liverwort and Tar not only gives immediate relief in Goughs and Cblds, but from the testimony of men of the highest standing here and elsewhere, it is making some very remarkable cures of Consimption. Improvements in the treatment of diseases are onward, and nothing can marcst its spirit in the present age. Those who are afficted with diseased Lungs, would do well to call on the agent, and see the curdinates of Dr. Wm. J. Rich-ards, Judge VUM. Burke; the wile of the Rev. George W. Maley, and of Dr. Hiram Cox, late Professor in the Ec-lectic Medical College of Cluainnati.
