II. Consumption is a disease which is carrying its victims to the tombs by thousands, without being arrest odd in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come—as to successfully arrest this disease. Dr. Rogers Liverwort and Tar not only gives immediate relief in Coughs and Colds, but from the testimony of men of the highest standing here and elsewhere, it is making some very remarkable cures of Consumption. Improvements in the treatment of diseases are onward, and nothing can arrest its spirit in the present ago. Those who are afflicted with diseased Lungs, would do well to call on the agent, and see the certificates of Tr. Wm. J. Richards, Judge Wm. Burke, the wife of the Rev. George W. Maley, and of Dr. Hiram Cox, lute Professor in the Electic Medical College of Cinnimut.

This medicine not only cures Consumption. but break up the most distressing Cough in a few hours time, or the money will be cheerfully refunded.
